EXPR-25-1018	Expedited Building Permit - Residential	8/29/2025 12:01	1	01	Single Fam M-Kenneth LeBlanc	This is an after the fact permit. The roof was done about 5 years ago and I used a company that didn't pull the permit but I still want to take care of. About a month ago, I added ridge caps and ridge vent to the roof to have properly functioning. I had some leftover siding and decided to re-side my house using James hardie clapboard and replacing the 5 windows in the front of the home. There wasn't an option for the decking but I took the old decking board off and replaced the boards and railings but keeping the existing framing.	145 HIGHLAND DRIVE, Centerville, MA 02632
