We propose to carefully remove the first three courses of shingles throughout the home (as detailed below) and replace with natural clear white cedar shingles, to correct the damage. Please note, this work is a repair and not a long-term solution.</p> <p>*Includes all 3 lower courses around the entire house, except for about 20-30' feet around rear patio that are not in poor condition.</p> <p>*Includes all 7 courses under rear bay window and 6 courses under rear patio windows (easier/cheaper to strip/redo the whole area, up to bottom of windows, than just do the standard 3 courses).</p> <p>*Includes 7 paneled shingle bays over watertable sill in rear corner. Replace ALL shingles within those 7 square panels.</p> <p>*Includes replacement of rotting watertable sill under 7 panel bays with azek, which will not rot.</p>	CHRISTOPHER N YERKES	\$7,250.00
