ARBOR DAY CELEBRATION

GREENING
HYANNIS

On Friday April 26th, the Town celebrated Arbor Day, and Barnstable's designation as a Tree City, with ceremonies at Barnstable High School and Barnstable Intermediate School. A total of 24 trees were planted on the school campuses. The Arbor Day celebration was a collaborative effort between school leadership, Planning & Development staff, the Town's Tree Warden, the Department of Conservation and Recreation (DCR) and AmeriCorps Cape Cod.

The Town of Barnstable is seeking to create a Master Site Development Plan for the 14.2 acre parcel formerly the site of the Marstons Mills Elementary school. The Town seeks to collaborate with the Village on a master plan that includes land uses that meet community needs, respect the history and character of the Village center, and incorporate sustainable development principals.

Cape Cod Challenger Green Project awarded President's Volunteer Service Silver Medal Award

Cape Cod Challenger Green Project was awarded President's Volunteer Service Award Silver Medal on April 24th 2024, on occasion of Earth Day, at the Barnstable High School. 'The Challenger Green Project to turn food waste into fertilizer and fund free activities for the special needs community would not happen without the involvement of the teachers and students at Barnstable High School. The students participation has been wonderful'Andrew Todoroff Executive Director Cape Cod Challenger Club.

"Our students are our future and they know the importance of our environment and taking care of one another. Seeing the leadership exhibited by the students of Barnstable High School and the Cape Cod Challenger Club is inspirational," said Mark Ells, Town Manager for the Town of Barnstable.
