A MONTHLY TOWN OF BARNSTABLE NEWSLETTER

AUGUST 2019

## FROM THE TOWN MANAGER

Dear Reader:

All seven villages in the Town of Barnstable have been bustling with activity. There are so many choices it is sometimes difficult to choose which activities will be included in our weekend plans. There are free, evening concerts in Barnstable Village, Osterville and Hyannis. As the only Town with two teams – the Cotuit Kettleers and Hyannis Harbor Hawks – the Cape Cod Baseball League provides us with plenty of excitement. The John F. Kennedy Hyannis Museum has a special exhibit this summer – Cape Cod

Remembers JFK Jr. Be sure to walk the Kennedy Legacy Trail and visit the beautiful John F. Kennedy Memorial and the Korean War Memorial on Ocean Street. Discover Barnstable at Bismore Park and the Harbor Overlook is a great way for you to know more about how different Town Departments and Divisions work for you. If you want to “be in the know” be sure to visit [www.ArtsBarnstable.com](http://www.ArtsBarnstable.com) - Seven Villages - One Town - All Things Arts & Culture.

Another great summer time activity is the Cape Cod Lifeguard Competition. Lifeguards from across Cape Cod compete in a number of events, testing their swimming, running, agility, and lifesaving skills. Last year our Town of Barnstable Lifeguards claimed first place in the non-surf division. This year’s event will be held in Chatham on Friday, August 2nd.

Also on Friday, August 2nd, the Town of Barnstable, the Barnstable Police Department and People of Action are proud to announce the 4th Annual Barnstable Unity Day Celebration on the Hyannis Village Green from 4:00-7:00 PM. The event is intended to engage the community and local police together in a free celebration including food, music, children’s activities, Isabella’s Kindness Rocks and more. Come show everyone that Barnstable is a special, unique place with strong community bonds. The event is open to all and will include free food, music and activities for all ages. Please bring your own chairs and blankets.

Centerville Olde Home Week kicks off with Centerville Library’s 150th Anniversary Block Party on Sunday, August 4th from 1:00-5:00 PM and ends with the Annual Concert and Bonfire with “The Moonlighters” on Craigville Beach on Saturday, August 10th. We are looking forward to the 34th Annual Pops by the Sea concert with Maestro Keith Lockhart conducting the Boston Pops Esplanade Orchestra on the Hyannis Village Green on Sunday, August 11th with Erich Bergen pulling double-duty as Performer and Celebrity Guest Conductor.

Wishing you an eventfull summer,

*Mark Ellis*

## News You Can Use

A note from the Treasurer/Collector's office:

On June 20, 2019, Town Council voted to amend Chapter 241 of the Administrative Code and Chapter 401 of the Administrative Procedures to Effectuate and Codify the Consolidation of the Town Treasurer and Town Collector positions.

The Rationale as presented by Town Manager, Mark Ells was: *The Town of Barnstable's Charter was changed to eliminate the elected office of Town Collector and replace it with an appointed official upon the expiration of the incumbent Collector's term expiring in November 2019. The incumbent Town Collector's recent retirement offered the immediate opportunity for the town to restructure the Collector's office and consolidate the staff with that of the Town Treasurer. The proposed consolidated operation will be managed by the current Town Treasurer in the new combined role of Treasurer/Collector. The current Town Collector position will not be continued.*

The proposed new organization is a common practice among Massachusetts communities. The objectives of the new structure are to improve customer service and eliminate the significant backlog of work in the former Collector's office. It is also intended to improve accountability and enhance the continuity of the operations, management expertise and the more efficient management of cash.

On a personal note, I would like to thank the Town Manager Finance Director Mark Milne and Town Council for supporting the consolidation.

We have accomplished much in a short period of time and are making great strides to streamline processes for future improvement. I also want to express my gratitude to our combined staff for their cooperation, time and efforts to make the consolidation a great success. Special thanks to Assistant Collector Gislaine Morse and Assistant Treasurer JoAnna Callahan.

Below is a list of some of the accomplishments to date as a result of the consolidation:

- All backlogged payment postings for Real Estate, Personal Property, Motor Vehicle and Sewer bills are now current!
- Motor Vehicle refunds due to abatements and overpayments were issued to taxpayers on July 9th for fiscal years 2015, 2016, 2017, 2018 and 2019.
- FY2017 and 2018 Personal Property refunds have been issued.
- The Billing and Collection Supervisor position created by the consolidation has been filled by a promotion from within the Collector's office.
- Website has been updated including streamlining the process for taxpayers to pay their bills online to improve customer service.
- The Treasurer/Collector's office interacts with all School and Town Departments in an effort to provide excellent customer service to our employees, taxpayers, citizens and the general public.

### PRELIMINARY FY20 TAX BILLS

Real Estate and Personal Property were issued on June 28, 2019.

**AUGUST UPDATES...FROM THE TOWN CLERK**

The Town Election is scheduled for November 5, 2019. Please come out to vote for Town Council, School Committee and Housing Authority! Hopefully, most of you have verified your voter status with us at the Town Clerk's office. Following the Massachusetts General Laws, every city and town in the state conducts a yearly census. Once we receive your returned census, we record the information in the Voter Registration Information System which allows every city and town clerk to have an accurate voter address/list for all the upcoming elections.

This year following the mandate set by the Massachusetts General Laws, we inactivated over 7,000 voters in the town; this means more time for you at the polling location when you go to vote. If you have been inactivated, we will need to see your license or a rent/utility bill to verify you are at the same address. For those of you who may have moved recently, please check with the Town Clerk's office (508-862-4044) to make sure we have your current address on file so that if need be, you may be updated and notified of your new voting precinct. If you have not registered to vote – please do so now. **Last day to register for the November Election is October 16<sup>th</sup>.** If you have students in your family who are going off to college, make sure they stop by and pick up an absentee ballot application so that they can vote if they are not registering to vote at their college community. Not sure if you are registered to vote? Call us – better to check now than find out you are not on the voting list.

**REMINDER for DOG OWNERS:** You need to have your 2019 license on your dog now. If you don't, you will be required to pay a \$5.00 late fee; but if you wait the late fee will go up. So license your animal now. It is worth it – if your animal gets picked up by the dog officer or is reported for any reason and is unlicensed, the fine is much higher than the cost of the license. You may license by mail – just send a copy of your current rabies certificate and a check for \$7 if the animal is spayed or neutered or \$10 for male/female (plus the \$5.00 late fee). Please include your email address so that we may remind you of the licensing period next spring.

Any questions...feel free to contact us – Monday – Friday 8:30 a.m. – 4:30 p.m. Have a great summer!

*Ann M Quirk*, CMC/CMMC/MMC, Town Clerk
