A MONTHLY TOWN OF BARNSTABLE NEWSLETTER

JUNE 2019

## FROM THE TOWN MANAGER

Dear Reader:

It took a while for Spring to arrive, but we are glad it is here! Our community just witnessed a Memorial Day weekend full of wonderful events honoring those who made the ultimate sacrifice for us and our Country.

The Town Council will continue its budget hearings for the FY2020 Operating Budget at its June 6<sup>th</sup> Town Council meeting.

We have placed a 4<sup>th</sup> of July button prominently on the Town's website. We know that a lot of folks are already making plans for this year and this information will provide you with the dates of 4<sup>th</sup> of July activities taking place around Town.

*Mark Ellis*

## MISSION STATEMENT OF THE TOWN OF BARNSTABLE

To protect the Town of Barnstable's quality of life and unique character, engage our citizens, and enact policies that respond to and anticipate the needs of our community.

### JUNE'S JOTTINGS FROM THE TOWN CLERK'S OFFICE

Hello Barnstable:

We have a winner! This year the entry that won Barnstable's Best Dog is Gracie. Congratulations to Gracie and her owners, Jason and Vanessa Rowland of Marstons Mills!

I want to send out a huge thank you to all the dog owners who entered their favorite canine in the contest. It is so much fun to see the great photos of the dogs and it is exciting to see which dog will win each year.

You can renew your dog's license by mail by sending to us the following:

- a stamped self-address envelope;
- Include a check made out to the Town of Barnstable for \$7.00 for a spayed or neutered animal, or \$10.00 for a male or female dog;
- a copy of the current rabies certificate (if it has been updated recently); and
- Please include your email address as this will enable us to send out a reminder for next year's dog licensing.
- Mail all of the above to: Town Clerk, 367 Main St., Hyannis, MA 02601.

You may also renew the dog license in person during regular office hours (Monday through Friday 8:30 AM to 4:30 PM). As a reminder, you must have a new tag on your dog by July. Avoid paying a late fee and renew your dog's license now!

If you are interested in running for the Town Council, the School Committee, or the Housing Authority nomination papers will be available starting on **June 19<sup>th</sup> at 6 PM** in the Selectmen's Conference Room at Town Hall, 367 Main Street, Hyannis. We will cover the campaign finance laws, the number of signatures needed, and the date you need to return your nomination papers to this office. If you are unable to attend this meeting the nomination papers will be available starting on June 20<sup>th</sup> in the Town Clerk's office.

#### Dates to remember:

June 19 <sup>th</sup>	Candidates night – pick up your nomination papers for the fall election
July 1 <sup>st</sup>	All dogs need to have their 2019 dog tag
Oct. 16 <sup>th</sup>	Last day to register to vote for the Town Election
Nov. 4 <sup>th</sup>	Last day to vote Absentee before NOON
Nov. 5 <sup>th</sup>	Town Election polls will be open from 7:00 AM to 8:00 PM in all 13 precincts

The Town Clerk's Office is open from 8:30 AM to 4:30 PM Monday through Friday, if you have any questions, please call us on 508-862-4044.

***Ann M Quirk, CMC/CMMC/MMC Town Clerk***

### A NOTE FROM THE TOWN COLLECTOR'S OFFICE

There have been several bills mailed out over the last few months, so now is an excellent time to check and make sure that you are current with your real estate, personal property, motor vehicle excise, boat excise and sewer rental bills. We are more than happy to check the status of these bills for you if you call our office at 508-862-4054. The new fiscal year will soon be upon us, which means your real estate and personal property tax bills will be mailed for FY2020. The Preliminary schedule will be:

#### **Payment Schedule for Real Estate and Personal Property Taxes for Fiscal 2020**

Preliminary Tax Bills will be mailed by July 1, 2019

First Quarter **due** August 1, 2019

Second Quarter **due** November 1, 2019

**Actual Tax Bills will be mailed by December 31, 2019**

Third Quarter **due** February 3, 2020

Fourth Quarter **due** May 1, 2020

Best wishes to one and all for a happy, healthy, and safe summer!

***Gislaine Morse, Town Collector Assistant & Staff of Jill, Kristen and Katarina***

## ***Superintendent's Corner***

As we close the 2018-2019 school year, I want to share new developments at Barnstable High School for next school year. This past school year we have spent time studying how to best support educators and students at the high school. While we continue to plan and implement innovative programs and approaches to teaching and learning, we also wanted to study whether the leadership structure makes the best use of resources to support our students and educators.

Currently, Barnstable High School (BHS) is organized into five "houses" led by a "housemaster." Students are assigned to a particular house when they begin grade 8. BHS students stay with their house through the five years of high school. Each house also provides relationships with school counselors and other support services. Our study group spent time during the 2018-2019 school year to determine if this organizational structure needed to be modified in order to more fully support teachers and students. We surveyed BHS faculty and staff, visited other high schools, and reviewed the literature to learn about other models.

Our study group also identified the various roles and responsibilities that are necessary within high school leadership. We referenced the staff survey responses, particularly the need to have consistent responses to student conduct, as well as clarification on roles and responsibilities among administrators. This led us to identifying three major categories: (1) curriculum, instruction, and assessment, (2) student support, and (3) operations and management.

As a result of our discussions, a leadership structure was identified that reallocated the six positions of one assistant principal and five housemasters. Additionally, one of our parameters was to make recommendation as budget neutral as possible. Therefore, the model reallocates the six positions in the following manner:

Assistant Principal for Curriculum, Instruction, and Assessment  
Associate Principal for Student Support  
Associate Principal for Operations and Management  
Dean of Students (3 FTEs)

The three positions of assistant and associate principals will work side by side to fully integrate each of their three areas. The three positions of Dean of Students will work with the Associate Principal of Student Support. The design of the Dean of Students positions with an Associate Principal of Student Support is intended to support all students in meeting academic, social, emotional and behavioral expectations.

Parents and students should expect to hear from Principal Clark in coming weeks as he shares details about how students will be supported and assigned under the new model. We are excited that we have a new and innovative structure to support teaching and learning at Barnstable High School.

## TOWN COUNCIL ORDER: 2018-078 EFFLUENT DISPOSAL CAPACITY STUDY & DESIGN

### Description

The purpose of this project is to hire a consultant to lead an Effluent Disposal Capacity Study & Design for the Hyannis Water Pollution Control Facility (WPCF). Currently the WPCF discharges treated effluent into sand filter beds, which allow the treated water to percolate back into the groundwater. This project builds off previous groundwater modeling efforts in order to determine the exact amount of treated water that can be disposed of at the Hyannis WPCF. While previous modeling efforts have provided the Town with a ballpark estimate of the discharge capacity of the WPCF, this project aims to formulate a more precise capacity limit, which accounts for seasonal fluctuations of flow and groundwater levels. This model will take into account geologic conditions in the area of the WPCF.

### 17<sup>th</sup> Annual Clamming Classes for Kids

Barnstable's Natural Resources Program offers FREE shellfishing classes for young people:

**SATURDAY, JUNE 8<sup>th</sup> @ 10:00 AM**  
**SUNDAY, JUNE 9<sup>th</sup> @ 11:00 AM**  
**at Bridge St. Landing, Osterville**

- Natural Resources staff and town shellfish volunteers will be available to assist any young digger who wants the help.
- Be prepared to get wet! Shellfish live in wet sand that gets covered by saltwater when the tide is high. Waders, hip boots or knee boots are helpful. Protective gloves are necessary.
- Shellfish may be taken by hand or rake. Small (garden) hand rakes and trowels will be allowed for the young diggers.
- Receive a free "Clammer Kid" badge, activity booklet and Certificate of Completion.
- Legally harvested shellfish may be taken home.
- SHELLFISH REGULATIONS APPLY AS ALWAYS!

**The comfort and safety of participating youngsters is the responsibility of the accompanying adult.**

### SMALL VESSEL STORAGE PERMITS ARE NOW REQUIRED

**NEW THIS YEAR!** New this year is a requirement for those who store a dinghy or small vessel on Town land to purchase (and place on the vessel) a decal issued by the Harbormaster Division. The decal is for identification purposes and will allow us to not only better track what's being placed on Town land and by whom, but for safety purposes as well should the vessel go adrift. Vessels placed on Town Ways to water must be no greater than 12' in length overall with a beam no greater than 5'.

The decal will be available Monday through Friday 8:30 AM - 4:15 PM at the Marine and Environmental Affairs Department located at 1189 Phinney's Lane, Centerville, MA 02632.  
Call 508-790-6273 for more information.

A life jacket (or Personal Flotation Device - PFD) is the single most important piece of equipment on your boat and the most important consideration should be size. More than two-thirds of all boating fatalities are drowning incidents and 90% of drowning victims were not wearing a life jacket.

<https://www.boatus.org/life-jackets/>

**Moorings** Mooring Permit Holders: Prior to purchasing a new vessel for your mooring, please contact the Mooring Officer at as all vessels placed on moorings must have prior approval. Permission to change a vessel form is found on the mooring web page. [www.townofbarnstable.us/HarborMaster](http://www.townofbarnstable.us/HarborMaster)

## JET BLUE SERVICE

Travelers flying between New York's JFK Airport and Hyannis, MA now have a

direct option as JetBlue Airlines has seasonal service between the two airports for the 6<sup>th</sup> year in a row. The current schedule:

**June 13 through September 3 (tentative)**

<u>Airports</u>	<u>Depart</u>	<u>Arrive</u>
<b>JFK-HYA</b>	<b>11:23 AM</b>	<b>12: 33 PM</b>
<b>HYA-JFK</b>	<b>1:09 PM</b>	<b>2:17 PM</b>

All flights will be aboard a 100-seat Embraer E190 twin-engine jet, an aircraft with a reputation for safety, as well as quiet takeoffs and landings.

Ticket information is available at [JetBlue.com](http://JetBlue.com)

Anyone visiting the Airport can get delicious coffee from Cape Cod Coffee, now located in the Terminal Café. The company has been in business for 47 years and operates a store at Mashpee Commons. The cafe also sells pastries, lunch items and their famous donuts, made daily on site. We are thrilled to have this café open as an option to travelers looking for a quick bite to eat in the terminal or as a takeout option. Parking is always free for non-travelers when visiting the café!

## **News from the Sealer of Weights & Measures-Jane Zulkiewicz**

Recently Barnstable Weights & Measures has received complaints about the disagreement of prices of street signs verses the price at the pump at some gas stations. Yes, the price is going up with the summer months upon us; but for now you can ensure you are getting the correct price per gallon by checking a few obvious details.

- If there is a street sign, check that the price on the gas pump for that octane advertised matches on the pump and the LED.
- Make sure that the sale and the gallons display start at zero before you begin to pump.
- For additional accuracy, calculate the gallons pumped times the price per gallon for total money charged.
- Always get a receipt and take a picture if you have a discrepancy and contact Barnstable Weights & Measures.

Barnstable Weights & Measures employees conduct all their inspections with uniformity at all locations in the ten towns we serve. If you have any questions or concerns regarding the performance of a commercial weighing or measuring device used for trade, bring it to the attention of the merchant. If the problem is not resolved, contact the local Weights & Measures office for advice and/or assistance. The Barnstable Weights & Measures jurisdiction includes: Barnstable, Bourne, Brewster, Chatham, Dennis, Harwich, Mashpee, Orleans, Sandwich and Yarmouth.

**We can be contacted at 508-862-4671 OR [townofbarnstable.us/Departments/weightsmeasures/](http://townofbarnstable.us/Departments/weightsmeasures/)**
