Mr. Logan was first appointed to the Disability Commission in 2014. He is seeking reappointment as a regular member to a term expiring 06/30/2026. He is currently the Chair and has accomplished so much for the Town when it comes to the disabled. He is an advocate for those who try and navigate the day-to-day struggles of trying to just get around the town. He feels he works well with the departments in planning and developing ways to help those who cant always help themselves, or those who don't think about what it is like without access.

Chair of Committee welcome John Carey who has submitted an application to serve on the Zoning Board of Appeals.

December 18th, 2026

Barnstable Zoning Board of Appeals
Town of Barnstable

367 Main Street, Hyannis, MA 02601

Dear Members of the Zoning Board of Appeals,

I am writing to express my interest in serving on the Barnstable Zoning Board of Appeals. As a local real estate professional actively involved in housing development, historic preservation, and community-based projects on Cape Cod, I have developed a strong working knowledge of zoning, permitting, and the balance required between private property rights and thoughtful community planning. My experience collaborating with municipal boards, neighbors, and project stakeholders has given me a practical understanding of how zoning decisions shape both individual properties and the broader character of our villages.

I am committed to supporting Barnstable's growth in a manner that respects neighborhood character while addressing the need for attainable housing and responsible redevelopment. I would welcome the opportunity to contribute my time and experience to the ZBA and assist the Town in making careful, well-reasoned decisions that benefit residents, property owners, and the community as a whole.

Sincerely,
John Carey
