#### Discussion: Delineation of Tee Times – Member/Non Member

Mary Creghton asked about the split on paper and how it works currently. Bruce- On paper it is a 50/50 split. Richard Aliberti asked the nonmember greens fee being lowered during certain times. Bruce explained how we can market that rate better.

John Cookson asked about the percentage of pass holder players that take carts OBF vs. HYANNIS, Bruce explained how some the numbers can be a little off due to early back nine plays and twilight but we can do a comparison through our point of sale system.

Geoff Converse asked why are we talking about this subject and what is the goal. Mary Creighton gave some examples of why we are talking about this subject and how as a goal we want to sell more unused tee times. Chris thanks everyone for not suggesting earlier tee times than what we have now.

#### Status: First Tee Program Sign

Bruce- explained that he has talked to Lynne and after all the budget and CIP work they will sit down and discuss new signs with Richard and anyone else that wants to join. Richard mentioned that he showed Patti Machado and she also supports having signs at HYCC.

#### Director of Golf Report

Bruce – at last week’s Town Council meeting we received approval on a five year cart lease program at Olde Barnstable over a 3 year lease.
