One Business Sign

No one is present for the Applicant.

Vice Chair Paul Arnold reviews the description, and refers to Exhibit A, the picture of the signage for the window as presented. He likes the design. The coloring, the silver will be hard to see and will most likely blend in/hard to see.

David Colombo confirms where the signage will be, on the window inside. The silver may not stand out on the plate glass window. No problem with the design or application. He recommends something that would stand out better, maybe a darker color.

Taryn Thoman confirms where the address is and suggests maybe a different color, maybe pink, something bright that could be seen.

**Motion made by Taryn Thoman to accept the sign as presented with the recommendation to consider some brighter/bolder color that may be more visible to the public from the street, seconded by John Alden, so voted unanimously to approve.**

**Matters not Reasonably Anticipated by the Chair**

**Motion to adjourn made by Taryn Thoman, seconded by Paul Arnold, so voted unanimously to adjourn.**
