LICENSING UPDATES

1. **Licensing Authority** - Hartsgrove a reminder that we have no more meetings in April. Next meeting is May 2nd. Gimmy's Tavern Change of Manager and Cotuit Center for the Arts alteration of premises. Hartsgrove noted that the Licensing Division would be hosting an Auto Dealer Compliance meeting in May 2022. The Alcohol Compliance meeting will be held in June. Governor Baker has extended the temporary outdoor dining expansion however Main Street businesses would be affected as this year we are not having the barriers so the outdoor seating will need to be reviewed to make sure there is compliance with sidewalk accessibility and health codes etc. Prior to 2020 there were 14 businesses on town property with Outdoor Dining Agreements as part of their license.

2. **Licensing Department** – none.

3. **Police Department** – Lt. Murphy noted that on Tuesday March 29th he attended the Memorial Service for Michael Azelton. Decker asked about stings. Lt. Murphy referred to them as compliance checks and continued to explain that we are going back to compliance checks. He added that the Licensing Department has already posted the legal ad. There will be a few meetings and Licensing Authority members are welcome to attend. Hartsgrove noted that we are looking at the first week in June. One day for On-Premise and a separate day for package stores. We are hoping for a representative from the Alcoholic Beverages Control Commission to attend as well as a local attorney. Hirsch asked about the status of the TikiPort violations. Lt. Murphy has not received an update.
