- Combining and reconfiguring the three existing curb-cuts onto Route 28 into two consolidated entrances with defined geometry meeting Town and State access standards. Each curb cut is configured to allow right-in/right out only turns.
- A limited movement right-in/right-out only curb cut on Barnstable Road.
- Significant landscaping and vegetation improvements.
- Reduction of impervious coverage to 74.5%.
- Architectural and site design in accordance with the Design and Infrastructure Plan.

- Two free-standing signs with sign panels, one for each tenant, which total 24 square feet per sign, together with building and directional
signage. One free-standing sign is to be located along Iyannough Road and one is to be located along Barnstable Road.

4. This Agreement shall run with the land, and all of the terms, conditions, and obligations contained in this Agreement shall be binding on any successor or assignor of the Applicant.

5. Prior to issuance of a building permit, the Developer shall provide evidence to the Building Commissioner of an agreement with the Town which provides that during the Term of this Regulatory Agreement, the Walgreen’s Pharmacy identified as one of the tenants of the
Redevelopment shall in accordance with Section 168-6(A) of Chapter 168 of the Code of the Town of Barnstable, provide the following benefits to the Town: (i) a listing of all sites at which hypodermic syringes, needles, and medical sharps can be disposed of in Barnstable County, to be made available to each customer visiting the Walgreen’s Pharmacy at the Property as well as the display of such listing at the registers within the Walgreen’s Pharmacy operated at the Property, and (ii) health educational assistance to the community in accordance with the programs developed and offered by Walgreen’s Pharmacy from time to time.

6. All mortgagee(s) holding good and valid mortgage(s) against the Property have executed document(s) effectively subordinating the provisions of their mortgage(s) to this Agreement, which subordination agreement(s) shall be approved by the Town Attorney and recorded contemporaneously with this Agreement.

7. Prior to the issuance of the first building permit, the Developer shall provide a letter of credit, or cash escrow in an amount approved by the Planning and Development Director, said letter of credit or cash escrow to be expended to replace landscape materials if such replacement becomes necessary because of the failure of Developer or its tenants to do so. An “acceptable” letter of credit is a letter of credit issued by a bank incorporated in the Commonwealth of Massachusetts or currently licensed to do business in the Commonwealth, and having at the time of issue of the letter of credit an S&P Rating of "BBB+" or better and/or a Bankrate.com rating of 4-star or better. Further, an acceptable letter of credit shall be approved as to issuer by the Treasurer of the Town of Barnstable and as to form by the Office of the Town Attorney. Any unexpended portion of said letter of credit or cash escrow shall be released by the Planning Board to the Developer or its successor(s), as directed by the Developer, after three years from the date of the landscape installation, such date to be determined by the Building Commissioner, upon the request of the Developer.

8. Developer is responsible for obtaining all applicable permits and licenses.

9. No Certificate of Occupancy shall be issued until all conditions of this Agreement have been met and Design and Infrastructure Plan approval has been issued.

10. This Agreement is transferable to a person or entity other than the Applicant (hereafter, the "Transferee") with prior written notice to the Town Manager and contingent upon the Applicant being in compliance with all the requirements of this Agreement. However, no such notice to the Town shall be effective unless it includes a written acknowledgement by the Transferee that they have read this Regulatory Agreement, and any amendments thereto, and they agree to be bound by the terms and conditions set forth herein, in which event after such assignment the transferor shall be relieved of liability from and after the date of transfer. Upon receipt of such written notice of transfer, and subject to a determination by the Town Manager that that the Applicant is in compliance with all the then applicable requirements of the Agreement, the Transferee and the Town Manager shall execute a minor amendment of this Regulatory Agreement acknowledging the Transferee is a signatory of this Regulatory Agreement, agreeing to be bound by the terms and conditions set forth herein, and any subsequent amendments hereto, and assuming liability as of the date of transfer. No Planning Board or Town Council approval is required for such a minor amendment acknowledging such a transfer in ownership.

11. The development rights granted hereunder shall be exercised and development permits needed to commence construction may be obtained hereunder for a period of five years from the effective
date of this Agreement, provided, however, that prior to the expiration of said five year period, the Developer may request one six month extension to obtain development permits necessary to commence construction. Upon receipt of necessary development permits, construction shall proceed continuously and expeditiously, but in no case shall construction exceed two years from receipt of necessary development permits. In the event that this Agreement and/or any necessary development permits for the Project are appealed, the timeframes set forth in this section shall be tolled for the length of any such appeals. The Developer estimates that construction will commence on or about Spring 2020 and will be completed on or about Winter 2020.

12. Construction and demolition debris from the Project shall be removed and reused or recycled to the maximum extent possible.

13. No uses shall use, store, generate, treat or dispose of hazardous waste or hazardous materials and shall not generate hazardous waste as defined in the Massachusetts Hazardous Waste Regulations, 310 CMR Section 30.353, except in compliance with all applicable laws.

14. To the extent that the Redevelopment Plans referenced in this Agreement do not depict all the findings and conditions set forth in this Agreement, revised plans and/or notations shall be provided in the final site plan. The Redevelopment shall remain in substantial conformance with the Site Plan Review approval dated July 2, 2019 and all conditions thereof and any modifications thereto as reflected in the final approved site plan.

15. Upon completion of all work, a registered engineer or land surveyor shall submit a letter of certification, made upon knowledge and belief in accordance with professional standards that all work has been done in substantial compliance with the approved site plan (Barnstable Code Section 240-104(G). This document shall be submitted before the issuance of the final certificate of occupancy.

16. The term of this Agreement shall be five (5) years from the effective date of the Agreement (herein, the "Term"), and the development rights authorized herein must be exercised prior to expiration of the Term or this Agreement shall be null and void. Once the development rights authorized herein have been timely exercised, all terms and conditions of this Agreement shall remain in effect until the Property is no longer used in accordance with the Redevelopment Plans.

18. In addition to the foregoing waivers/relief from the Zoning Ordinance, this Agreement also waives the requirement for a public hearing before the Town Manager pursuant to Chapter 115-2 of the Code (Hours of Operation of Businesses) and authorizes issuance of a permit to allow the proposed pharmacy drive-up window to remain open twenty-four hours a day. Said permit may be revoked by the Town pursuant to the process set forth in Chapter 115-2 of the Code.

20. Commencing on the date of issuance of an Occupancy Permit for Building B and ending on the 5th anniversary of said issuance, the Applicant or any owner of said premises shall not enter into a lease, or otherwise occupy any portion of Building B without first obtaining written approval from the Director of Planning and Development for the Town of Barnstable. If the use triggers a need for a special permit or other zoning relief, the Director of Planning and Development shall, within said ten (10) day timeframe, issue a letter directing the Applicant or owner to make application to the Planning Board for appropriate relief.

21. The failure of this agreement to address a particular permit, condition, term, or restrictions shall not relieve the qualified applicant of the necessity of complying with the law governing said permitting requirements, conditions, term or restriction;

22. This regulatory agreement may not be used to prevent the Town of Barnstable or other governmental agency from requiring the qualified applicant to comply with the laws, rules and regulations and policies enacted after the date of the regulatory agreement, if the Town of Barnstable or governmental agency determines that the imposition of and compliance with the newly effective laws and regulations are essential to ensure the public health, safety or welfare of the residents of all or part of the jurisdiction.

BARNSTABLE TOWN COUNCIL

ITEM #2020-189
INTRO: 06/04/2020

SUMMARY

TO: Town Council
FROM: Mark S. Ells, Town Manager
THROUGH: Elizabeth Jenkins, Director of Planning & Development
SUBJECT: Regulatory Agreement Airview, LLC – Pharmacy with drive through and Retail and/or Office Building

BACKGROUND: The proposed Regulatory Agreement has been negotiated between the Planning Board (with assistance of Planning & Development Staff, and with input from the Town Engineer, Hyannis Fire Department, and the Town Attorney) and the Applicant, and has been the subject at four Planning Board hearings, at the conclusion of which the Planning Board voted unanimously (6-0 vote) to recommend the Regulatory Agreement to the Town Council.

RATIONALE: Airview, LLC, the Applicant in the proposed Regulatory Agreement, purchased the three developed properties known as and numbered 451 and 467 Iyannough Road in Hyannis on April 30, 2014. These three properties, which collectively comprise the subject property under the Regulatory Agreement, total 2.108 acres of land, which were developed with approximately 17,046 square feet of commercial uses that included a restaurant with a seating capacity of 274 and a VFW Post. The existing development contains three large curb cuts with undefined circulation onto Iyannough Road. The existing site is nonconforming as to dimension, contains minimal landscaping, is approximately 78% impervious, and contains no on-site storm-water treatment facilities.

The subject property is within the Hyannis Gateway (HG) zoning district and the Groundwater Protection (GP) and Wellhead Protection (WP) overlay districts. It is also located within the Growth Incentive Zone (GIZ).

The Applicant proposes to make a substantial investment in the subject property by redeveloping and improving this gateway location. The proposed Regulatory Agreement authorizes the redevelopment of the property by combining the existing three (3) lots into one (1) lot and constructing an approximately 10,000 square foot retail pharmacy with a drive up pharmacy window and an approximately 6,000 square foot building for use as a future retail and/or office location. Numerous site improvements are proposed including combining and reconfiguring the three existing curb cuts onto Iyannough Road into two consolidated entrances with defined geometry meeting Town and State access standards. Each curb cut will be configured to allow right-in/right-out only turns. Pedestrian and site amenities, new storm-water drainage, and significantly increased landscaping are proposed.

Because the Applicant requests zoning relief for the proposed redevelopment, a two-thirds vote of the Town Council is needed to approve the proposed Regulatory Agreement. In addition to the requested zoning relief, the Regulatory Agreement also authorizes the proposed pharmacy drive-up window to remain open twenty-four hours a day pursuant to Chapter 115 of the Code.

FISCAL IMPACT: The fiscal impact is positive.

SUMMARY

TO: Town Council
FROM: Mark S. Ells, Town Manager
THROUGH: Katie R. Servis, Airport Manager
DATE: June 18, 2020
SUBJECT: Supplemental Appropriation and Transfer Order in the amount of $212,700.00 for the Fiscal Year 2020 Airport Enterprise Fund Capital Budget

SUMMARY: Bids received came in higher than what the Airport had set aside in its Fiscal Year 2020 Airport Enterprise Fund Capital Budget for the Replacement of ARFF Equipment - Airport #816 (Rapid Response ARFF Vehicle circa 1999).

- We were approved for $220,000.00 (Town Council Order 2019-103 approved 4/4/2019).
- The piece of equipment that Federal Aviation Administration (FAA) allows for this size airport is no longer manufactured (and this was unknown until the bid was circulated) so FAA allowed the Airport to purchase the next higher level of vehicle.
- Working with the Town Procurement Officer, we rebid this item with the new specifications

- Lowest responsive bidder = $306,066.00 for the vehicle and $82,945.00 for the fire equipment
- Lowest bid plus bid development and admin fees = $432,700.00 total
- Appropriation is short of need by $212,700.00
**FISCAL IMPACT:** The entire project is being funded 100% by the FAA but it is a reimbursable program, therefore the Airport must have the funding in place to conduct the work and request repayment post work completion. The funds for this appropriation will be provided from the airport’s reserve fund, which will be replenished through the FAA grant. The airport’s certified reserve as of July 1, 2019 is $2,761,211.00.

- Appropriation is short of need by $52,208.26
- Request transfer from Town Council Order 2019-105 to Town Council Order 2019-106 in the amount of $52,208.26

Estimates provided for the FY2020 Airport Enterprise Fund Capital Expense Budget were based on like equipment purchased in 2018 and 2019 by other airports in the region. The open procurement process provided for some wins and losses for both pieces of equipment.

The intent is to use the remaining funds from Town Council Order 2019-105 ($187,016.98) to supplement the shortfall in Town Council Order 2019-106. Any funds not used will be returned to the Airport Enterprise Fund Reserves.

**FISCAL IMPACT:** The entire project is being funded 100% by the Federal Aviation Administration (FAA) but it is a reimbursable program, therefore the Airport must have the funding in place to conduct the acquisitions and request repayment post work completion. The funds for this appropriation will be provided from the airport’s reserve fund, which will be replenished through the FAA grant. Upon a finding of a potential violation, the Commissioner or designee shall serve notice of the violation upon the Owner of the Short Term Rental. The Commissioner shall keep records of all complaints received and determinations made.

E. Offering an Ineligible Unit as a Short Term Rental. Any person who offers a unit as a Short Term Rental, where such unit is not an eligible Dwelling Unit or is not registered, may be fined in accordance with the fine schedule herein on a per violation per day basis. Each day's failure to comply with a notice of violation or any other order shall constitute a separate violation. The Commissioner or a designee may also seek an injunction from a court of competent jurisdiction prohibiting the offering of the unit as a Short Term Rental.

F. Failure to Obtain a Registration. Any person who offers an eligible Dwelling Unit as a Short Term Rental without a valid Short Term Rental Registration, or any person who offers an eligible

H. Right to Hearing. A person upon whom a notice of violation has been served may request a hearing by filing a written petition requesting a hearing on the matter with the Inspectional Services Department within fourteen days after the day the notice of violation was served. The hearing shall be conducted by a Hearing Officer designated as such by the Town Manager and shall occur no later than three (3) weeks after the date the Inspectional Services Department receives the petition for hearing. The time period in which violations must be remedied shall be stayed upon receipt of the petition for a hearing until such time as the hearing is held and the Hearing Officer has issued a decision.

I. Decision. Within seven days after the conclusion of the hearing, the Commissioner or designee shall sustain, modify, or withdraw the notice of violation and shall inform the person upon whom a notice of violation has been served, in writing, of its decision and the reasons therefor. If the Inspectional Services Department sustains or modifies the notice of violation, said violation shall be remedied within the time period allotted as issued or in the modification.

J. Violations of an unoccupied dwelling shall be corrected prior to occupancy. Violations found in an occupied dwelling shall be corrected within the time specified as determined by the Inspectors.

K. If a written petition for a hearing is not filed within fourteen (14) days after the notice of violation has been served, or if, after a hearing, the notice of violation has been sustained in any part, each day's failure to comply with the notice of violation within the time allotted as issued or modified shall constitute a separate violation.

§ 190-16 Registration Suspension, Modification and Revocation
In addition to, and not in lieu of, the penalties that may be assessed pursuant to this chapter, the Inspectional Services Department, after notice and public hearing, may suspend, revoke or modify any or all registration approvals issued hereunder to an Owner for violation of these regulations or of any conditions imposed by the Inspectional Services Department, notwithstanding that a violation may have been found with respect to one or more, but not all of the registered properties held by an owner. These remedies shall be non-exclusive.

SUMMARY

TO: Town Council
FROM: Mark S. Ells, Town Manager
THROUGH: Town Council Committee to Review Zoning & Permitting Regulations
DATE: June 18, 2020
SUBJECT: Order amending the General Ordinances by adding Chapter 190 Short Term Rental Properties and amending Chapter 170 Rental Properties

RATIONALE: This proposed Short Term Rental General Ordinance aims to create enforceable standards for the operation and occupancy of Short Term Rentals that promote the safety of our residents and guests and provide a clear understanding of what is permitted in terms of renting a residential dwelling in the Town of Barnstable. Appropriate regulation of short term rentals will allow for varied accommodations and experiences for visitors, while retaining the quality of life in residential neighborhoods. Currently, Short Term Rentals are neither expressly permitted nor prohibited in the Town of Barnstable; the use is not addressed in any municipal ordinance. Short term rentals are being, and historically have been, operated in all villages in Barnstable. According to the latest data set provided by the Massachusetts Department of Revenue, there are 663 short term rentals currently registered in the Town of Barnstable.

This ordinance defines Short Term Rentals in a manner consistent with the Commonwealth’s Short-Term Rental Law (Chapter 337 of the Acts of 2018, revising G.L. c. 64G, Section 3A), which includes Short Term Rentals among the list of establishments subject to the local excise tax. Short Term Rentals are broadly defined as residential dwellings, or portions or dwellings that are rented out in advance for less than 31 days (including weekly rentals).

The proposed approach to Short Term Rentals is two-fold: a general ordinance to register Short Term Rentals with the Inspectional Services Department and regulate them by requiring that certain standards, including life safety standards, are met; and an amendment to the zoning ordinance to recognize short-term rentals as an allowed use of a residential dwelling.

This item is the proposed general ordinance creating a registration process and associated requirements for the operation of Short Term Rentals. This process is separate and distinct from the current rental registration requirements of Chapter 170 to address the unique aspects of Short Term Rentals. The item establishes that all Short Term Rentals in the Town of Barnstable must be registered with the Inspectional Services Department, with registration renewals due every two years. Upon registration, owners of short term rentals must sign an affidavit attesting to compliance with pertinent health, safety, and other regulations. Registrations are not transferable to new owners. Upon registering, owners must provide their own contact information as well as contact information for someone who is available 24 hours a day and able to respond in-person to the Short Term Rental if necessary.

The proposed general ordinance limits the number of Short Term Rental registrations that may be issued to a single owner, as defined, to two. The intention of this limitation is to reduce the potential that multiple dwellings will be purchased exclusively for Short-Term Rentals use and is a measure to protect the Town’s housing stock from this form of speculative investment. Limits on the number of licenses
may incentivize the owners of multiple dwelling units to rent year-round, which can help both housing availability and affordability.

The proposed general ordinance establishes several provisions for Short Term Rentals to address potential health, safety, and community concerns, including measures to keep the public informed of short term rentals registered in their neighborhood. The Town will be obligated to maintain a website with the address of all registered Short Term Rentals and corresponding contact information available for public view. The proposed general ordinance also commits the Town to providing template informational items that make clear the requirements of being both a host and a guest in a Short Term Rental in Barnstable.

There are requirements for regular trash removal and for the installation of smoke detectors and carbon monoxide alarms. Additionally, the proposed general ordinance proposes occupancy restrictions: a maximum of two occupants per bedroom, plus an additional two.

The proposed general ordinance establishes a process for filing complaints with the Inspectional Services Department and for violations, rights to a local hearing before a hearing officer, penalties and fines, and allowance for judicial appeals.

This proposed general ordinance was developed with the assistance of consultant groups who provided background research on Short Term Rental operations in Barnstable; meetings with the Centerville, Osterville, West Barnstable, Barnstable, Marston Mills, and Greater Hyannis Civic Associations; and public input at multiple Town Council and Zoning & Regulatory Subcommittee meetings.

A proposed General Ordinance requires introduction at a first reading before the Council, and must be considered at an advertised public hearing upon second reading, and requires a majority vote for passage.

SUMMARY

TO: Town Council
FROM: Town Council Committee to Review Zoning & Permitting Regulations
DATE: June 12, 2020
SUBJECT: Order amending Chapter 240 Zoning, Article II, Section 7 adding certain provisions pertaining to Short Term Rentals

RATIONALE: This proposed amendment to Chapter 240, Zoning, aims to provide a clear understanding of what is permitted in terms of renting a residential dwelling as a Short Term Rental in the Town of Barnstable. Currently, Short Term Rentals are neither expressly permitted nor prohibited in the Town of Barnstable; the use is not addressed in any municipal ordinance. Short Term Rentals are being, and historically have been, operated in all villages in Barnstable. According to the latest data set provided by the Massachusetts Department of Revenue, there are 663 short term rentals currently registered in the Town of Barnstable.

This proposed amendment to the Town’s zoning ordinance defines Short Term Rentals in a manner consistent with the Commonwealth in the Short-Term Rental Law (Chapter 337 of the Acts of 2018, revising G.L. c. 64G, Section 3A), which includes Short Term Rentals among the list of establishments subject to the local excise tax. Short Term Rentals are broadly defined as residential dwellings, or portions or dwellings, that are rented out in advance for less than 31 days (including weekly rentals).

The proposed approach to Short Term Rentals is two-fold: a general ordinance to register Short Term Rentals with the Inspectional Services Department and require that certain standards, including life safety standards, are met; and an amendment to the zoning ordinance to recognize Short Term Rentals as an allowed use of a residential dwelling.

This item is a proposed amendment to the Zoning Ordinance to recognize and define Short Term Rentals. Short Term Rentals are defined consistent with the Short-Term Rental Law, as noted above; the definition also includes exclusions, including historical cottage colonies. The amendment also establishes parking standards for the use. Parking is appropriately addressed through zoning, as opposed to a general ordinance.

This proposed amendment to the zoning ordinance was developed with the assistance of consultant groups who provided background research on short term rental operations in Barnstable; meetings with the Centerville, Osterville, West Barnstable, Barnstable, Marston Mills, and Greater Hyannis Civic Associations; and public input at multiple Town Council and Zoning & Regulatory Subcommittee meetings.

A proposed zoning amendment requires referral by the Council to the Planning Board, and a recommendation by the Planning Board to the Town Council. The amendment then must be considered by the Town Council at an advertised public hearing, and requires a two-thirds majority vote for passage.
