The May 21, 2020 meeting of the Barnstable Town Council was physically closed to the public to avoid group congregation.

A quorum being duly present, President Paul Hebert called the May 21, 2020 Town Council meeting to order at 7:05 p.m. from a remote location.

An announcement was made by President Hebert regarding the meeting being televised live and questioning if anyone was actively taping the session to please make their presence known. This session is recorded and broadcast on Channel 18.

**PRESENT:** (On Zoom) Britt Beedenbender, David Bogan, Kristine Clark (7:10), Jennifer Cullum, Debra Dagwan, Jessica Rapp Grasseti, Paul Hebert, Matthew Levesque, Paul Neary, Paula Schneppe, Tracy Shaughnessy, Gordon Starr, Eric Steinhilber.

The Pledge of Allegiance was led by President Hebert; followed by a moment of silence.

**PUBLIC COMMENT:**
Maureen Grandmont is questioning the future of recycling in Barnstable, wondering if this is an issue that can be held until the public can have more input. Is there going to be a decision made about recycling before July 1st?

**TOWN MANAGER COMMUNICATIONS:** (Exhibit A)
Congratulations to our 2020 Barnstable High School graduating class
Reopening Massachusetts plan of Governor Baker
Opened Golf Courses and Sandy Neck
June 27 official beach openings
FY 2021 operating budget for a first read
“Contactless Service” for beach and transfer station permits
Twelve (12) Grant Awards to small storefront businesses
Dan Santos, Director of Public Works provided an update on the Comprehensive Wastewater Management Plan.

Councilor questions and comments:
In regards to the reopening of recycling and the fees [Santos, the transfer station will be open seven days a week; for the fee changes to recycling we need to modify the Board of Health regulations first] The sticker price for the transfer station will remain at $250.00? There will be no change in the fee for recycling before July 1st? [that is correct] regarding the opening of our beaches can you provide any information regarding staffing, ground rules [Clyburn we expect a soft opening tomorrow, with limited staff, will have handouts of
what is expected at the beaches, opening our bath houses for weekends only, there will be signage regarding physical distancing, we are optimistic] Any restriction of parking at our beaches [Clyburn, we are happy to find that it is left open to each municipality, the soft opening will help determine if we need to make some adjustments] [Clyburn, the Police Chief has been advised of this issue, we had to close Hathaway Pond for this same issue; we will take a hard look at Long Beach]

Presentation of Fiscal Year 2021 Proposed Operating Budget, Mark A Milne, CPA, Director of Finance, and Andy Clyburn, Assistant Town Manager

Mark Milne read a letter from the Town Manager regarding this budget year as we are in a very challenging time (Exhibit B)

Councilor questions and comments:
How often do you plan on updating the forecast? This could dramatically change [Milne, we developed a weekly cash flow model to compare actual results to our projections] much of this is dependent on public response, we will need more police officers especially on Main Street [Clyburn, agree with you, as many boots on ground as possible, it was not driven by budget] we need helpful guidance and watchful eyes. Were we able to create a budget that kept all contractual agreements in place? [Milne, all of the unions are under negotiations] budgets are fluid in nature, happy to see most of the items are bracketed, looking at slide number 14, local school operations is showing 1.5 million for contractual labor obligations, has that been signed? [Milne, will have to check with the school department and get back to you] It would be helpful if there is a time line, of when the pandemic hit and when these contracts were signed [certainly]

ACT ON MINUTES:
Upon a motion duly made and seconded it was to approve the minutes of the May 7, 2020 as written.
VOTE: PASSES 13 YES

COMMUNICATIONS- from elected officials, boards, committees, staff commission reports, correspondence and announcements:
Senator Julian Cyr, Representatives Will Crocker, and Tim Whelan regarding the Cape Cod Reopening Task Force:

Senator Cyr is focused on saving lives and livelihood, Cape Cod Reopening Task Force developed to speak as one voice; consistent message; working on a number of issues, urging towns to work collaboratively. Concerned about the summer, but optimistic, Representative Crocker It's good to be back in front of the Council, we are going have to be adaptable, benchmarks have been set, but we rely on the data. The restaurants need to open up as soon as possible, now they need an okay as of this date you can open up. Twelve weeks is a short season, streamlining the process to get the restaurants open, get the town the tools to move forward. Representative Tim Whelan the key thing we understand about reopening with the utmost top level and safety; we don't want to see a rebound of this virus. Make sure you reach out to us with your thoughts and concerns. Keep up the great lines of communication; please bring the ideas to us.
Councilor comments and questions:
Thank you for dropping into our meeting; the rules are social distancing, wear masks, wash your hands, if social distancing is the key, why are large corporations allowed to open, packing people into these large stores, without masks, all the businesses should be allowed to open. We have twelve weeks here on Cape Cod, we are not Boston, allow the local businesses to get back to work. Go to the hill to get it done. What is the rational for opening larger businesses and not the smaller ones? [Whelan we agree with you, we don't restrict parking at the grocery stores, we should not restrict parking at the beaches; we have unique needs on the Cape]. Some of the shelters are doing a great job, regarding the social distancing, hand washing, etc., some are putting people together without testing. When businesses are allowed to open up is someone looking for the plan? [Cyr will talk off line about the shelters; we are asking, these are all the things we are doing now; social distancing, safety protocols for every business, each business will need to do a Covid19 control plan; guidance is available on the Mass.gov website, enforcement falls to local Board of Health, businesses need lead time to open, people need to plan] If you see some business is not following protocol, do we report it to someone in town? [Yes] Is there someone the business owners can call to get guidance [Yes, this task force can help the businesses] Are you aware a letter was sent by the Town Manager to Lt. Governor Polito? [Yes] Our small businesses are critical to our town, many of the small businesses have been left behind; hope that our delegation would earmark some funds for the small businesses relief. [Cyr, the challenge we are facing an estimated 5 billion revenue gap, we have to rely on the federal government for support] Bills in the Senate and House need to be sped-up to give the towns the ability to go forward [Whelan working with the Alcoholic Beverages Control Commission (ABCC) and our local investigator, hoping to get things done pretty soon, it has statewide attention] With facemask requirements why can't we open the smaller stores [Cyr, May 25th for curbside is the opening date for retail, we are advocating for the smaller businesses] [Crocker agree 100 percent, curbside pickup is fine, another idea is to set up an appointment, to allow people into your store]

Communications from councilors:
Thank you to DPW for the continued work in Marstons Mills, Morning Glory Café open for take out; Shout out to all the Seniors graduating very creative way of celebrating; Osterville Business & Professional Association to encourage shopping on the side walks, Saturday June 6th. Disability Commission thanked the DPW for the working with them on parking and signage at Craigville Beach and polling places. Human Services Committee is try to secure more food for the food banks. Congratulations to the 2020 Barnstable graduates.

Committee report on short-term rentals and possible discussion of next steps:
Councilor Schnep, provided a report from the Zoning and Regulatory committee which met to go over the draft regulations. This meeting concentrated on revisiting the regulations, and suggesting some changes. The proposed changes include: general ordinance changed to registering from licensing; added a definition for cottage colonies to be excluded from short term regulations. Any one going forward can only have two owner operated short term rentals; some owners with more than two, that previously registered may be grandfathered; first reading at our next Town Council meeting is a referral to the Planning Board, the earliest date the Planning Board can meet is Monday, June 22nd. The Planning Board makes a recommendation to be referred back to the Town Council, the earliest date would then be mid July for a vote on short-term rentals.

2020-181 RESOLVE TO SUBMIT AN APPLICATION TO AMEND “CHAPTER H” DECISION TO THE CAPE COD COMMISSION REVISING DEVELOPMENT OF REGIONAL IMPACT THRESHOLDS IN THE INDUSTRIAL SERVICE AND TRADE AREA TO INCLUDE WHOLESALE USES INTRO: 05/21/20

Elizabeth Jenkins, Director of Planning and Development gave the rationale

Open public hearing:

John Kenney, a resident and representing the land owner of the property and the Kitchen Appliance Mart I ask you to support this item.

Councilor questions and comments:
What other companies would fit into this profile [provide products but not directly to the consumer, wholesalers, those who supply to industry not the individual] Is there some ancillary retail sales are allowed? [Yes, but it is subordinate to main customer]

John Gralton of Kitchen Appliance Mart (KAM), this change (Chapter H) would be good overall for the town, allow for greater economic development. KAM needs a new home, there are sixty jobs associated with this company, and the business needs a new home.
Close public hearing

Councilor questions and comments:
Please support this item; they have had difficulty finding a location, great company. Does this apply to both the red and blue zones of the map [Jenkins only to the red zone] explain the reservations of the application, [Jenkins, modeled it after one that had come before the
Cape Cod Commission which is the framework we used to supply the information for this application, justifying the raised threshold. Our approach was to be cautious.

Upon a motion duly made and seconded it was
RESOLVED: That the Town Council, pursuant to Barnstable County Ordinance 2009-13, as amended by Barnstable County Ordinance 13-06, Chapter H, Municipal Application for Revisions of Developments of Regional Impact Thresholds of the Cape Cod Commission Regulations of General Application, hereby proposes further revisions to Development of Regional Impact thresholds in Industrial Service and Trade Areas, as shown on the map entitled “Chapter H Subject Area Map”, and further authorizes the submission of such request to the Cape Cod Commission.
