The June 4, 2020 meeting of the Barnstable Town Council was physically closed to the public to avoid group congregation.

A quorum being duly present, President Paul Hebert called the June 4, 2020 Town Council meeting to order at 7:05 p.m. from a remote location.

An announcement was made by President Hebert regarding the meeting being televised live and questioning if anyone was actively taping the session to please make their presence known. This session is recorded and broadcast on Channel 18.

Let us all continue to pray and demand equal justice, racial justice, and social justice; followed by a moment of silence

**PUBLIC COMMENT:**

**Video:**

Ann Shultz urged Council to act quickly on regulations pertaining to Short-Term Rentals (STR). She felt without these needed regulations people were at risk.

Janet Davis, member of the Centerville Concerned Citizens, urged Council to place a moratorium on 5G Technology in Barnstable. She wanted there to be further permitting needed before acceptance and hoped the residents could learn more about this untested technology.

Bob Shultz felt Barnstable was forward thinking in its response to Covid-19. He felt Short-Term Rentals should have a minimum stay. He mentioned other Towns were soliciting ideas from their residents and urged Council to do the same.

**Phone:**
Kathleen Holcombe questioned the response time regarding Public Records Request 2020-0162. She requested the release of the information.

**Councilor questions and comments:**  
The information regarding the January 31st, 2020 shooting at an Airbnb should be released to the public.

**Phone:**  
Gloria Hansen felt Barnstable was a community dedicated to diversity. She extended her condolences to the Floyd Family and was supportive of the peaceful protests.

Jennifer Mersky expressed her concern with short-term rentals. She felt there were two sides to this issue and hoped there was a solution.

**TOWN MANAGER COMMUNICATIONS:** (Exhibit A)

Mark Ells addressed the records request – January 31st incident he explained it was still under investigation. He mentioned the request was being handled by the Town Attorney. He noted it was unclear if there was a 5G Technology moratorium. He added in the Town there were three areas that are permitted for 5G Technology equipment. He asked Council how they would like to proceed regarding the 5G Technology.

Police Chief Sonnabend discussed the events in Minneapolis. He said it was deeply upsetting and should not have happened. He expressed the need for everyone to work together and to have the courage to speak up. He asked for peaceful protests which did not disrupt property.

**Councilor questions and comments:**

Hathaway Pond was closed for 2½ weeks consider opening sooner. When there is boil water orders please reach out to the Councilors in the affected areas. What is the police training protocol and please release this information to review for transparency? We need to have more diversity on our town committees Let us be proactive and reach out to all voices in our community. Noticed the beaches in Barnstable are busy how do we ensure social distancing is still upheld? [Not following proper Covid-19 safety procedures then we will shut down the facility]. Our Unity Day was a success and it showed how our community worked together.
Elizabeth Jenkins, Planning and Development Director, discussed the walkable urban Main Street.
We need to rethink our Main Street, there are three options: leave current street as is; street closures; and hybrid modify open street with one lane of traffic. Third option seems to be preferred option. We hope and plan for a healthy walkable community.

Councilor questions and comments:
Who was asked to give information and review options? [Hyannis Main Street Waterfront Committee and the Business Improvement District] Are you redrawing both sides of the street? [Yes, but there are logistic concerns] Mark Ells Councilor Cullum if you have any ideas about who to contact or any of the Councilor have ideas about contacting associations to help review and understand this Main Street business plan. Open Streets one night a week for the month of July? [Absolutely] Is there any consideration about outdoor eating in other parts of the Town? [Consideration and support for all our restaurants we believe that every restaurant will have their own ideas and strategies. We keyed in on Hyannis due to the density and that the restaurants on Main Street do not have the availability of having private property.]

**2020-146 APPROPRIATION ORDER IN THE AMOUNT OF $71,405,234 FOR THE PURPOSE OF FUNDING THE TOWN’S FISCAL YEAR 2021 BARNSTABLE PUBLIC SCHOOLS BUDGET INTRO: 05/21/20**

Barnstable School Superintendent Meg Mayo-Brown gave the rationale. She discussed the effects of Covid-19 on Barnstable students. She noted 1800 Chromebooks were handed out to students K-7, with 100,000 meals handed out to all students. Gareth Markwell, School Finance Director, spoke about the budget. He noted there were no reductions of services for next year’s budget. He added there were 4,000 students and the goal to sustain our Barnstable Public School would need an increase of 2.3 percent or about 1.6 million dollars more for the next year’s budget.

Open Public Hearing seeing none close Public Hearing

**Councilor questions and comments:**
Arts, cultural, physical education and choir will these areas still be part of the curriculum? [Yes, we have 24 programs dedicated to these areas] Have you inquired if the Department of Public Works (DPW) can help with maintaining the fields to reduce costs? [Yes, we have been in discussions with the DPW they would be working on the fields and school grounds] There are concerns with the budget. There is no mention of hiring a consultant to understand the new normal ways Barnstable schools will need to function due to Covid-19. Cost of living allowance (COLA) school budget has the increase but the rest of the Town’s departments have reduced or eliminated it for the next year. [School has collective bargaining and we could not reduce COLA. The Schools have contractual increase and obligations. The kids have been through enough we need a normal routine]
