Chairman Meade called the meeting to order at 8:02pm

Motion was made and approved to accept the July 28, 2009 minutes. The minutes for August 25, 2009 were tabled pending revisions.

Notice of Intent for Currier at 1071 Old Post Road Cotuit was presented by John O' dea from Sullivan engineering. The committee had no objections to the proposal.

A letter from David Kelley & Jonathan Sloane of Cotuit Bay Shores was read regarding moorings in Cotuit Bay Shores. Mr. Kelley and Mr. Sloane don't feel that it is fair and equitable and mooring regulations aren't being enforced. The committee and staff explained the state of the moorings in the area and in general.

Peter Maryott from Oyster Harbors Marine addressed the committee on rental mooring issues including; making a rental mooring waiting list to use after the town list, giving back the moorings they have lost through the current regulations, and allowing seasonal rental use of all boatyard moorings.

Future Waterways Cmt meetings will be held in the Selectman's conference room at town hall.

An anonymous letter was delivered to Steven Swain regarding a recently reviewed and constructed dock in Barnstable Harbor. Discussion tabled for next meeting.

The meeting adjourned at 9:0 pm.

Respectfully Submitted,  
Joe Gibbs  
Assitant Harbormaster
