

**Town of Barnstable**  
Department of Public Works  
382 Falmouth Road  
Hyannis, MA 02601

**CONSTRUCTION NOTICE**

**Road work on portions of Route 149, Main Street, and River Road in Marstons Mills**

Construction is scheduled to start the week of January 21, 2019 and will continue through spring 2019, then will cease for the summer, and then resume after Labor Day through December 2019. Normal work hours will be between 7:00 AM to 5:00 PM, Monday through Friday. The project area is Route 149 between Route 28 and Lovell's Lane, and includes the south ends of Main Street and River Road. The project objectives are to improve pedestrian and bicycle access and overall traffic safety, rehabilitate aging infrastructure, and enhance the streetscape. The project scope will include new/improved sidewalks, landscaping, decorative street lighting, new or resurfaced pavement, improved crosswalks, a boardwalk along Mill Pond, additional parking, and drainage improvements. See the eWeekly newsletter on the Town's website for updates. Additional information is posted under Public Works – Projects and Updates on the website.
