WEEKLY CONSTRUCTION UPDATE

October 26 - 30, 2026

WHERE CREWS ARE WORKING

- Six-Points Intersection
- Main Street at South Street Intersection
- Main Street (various locations)

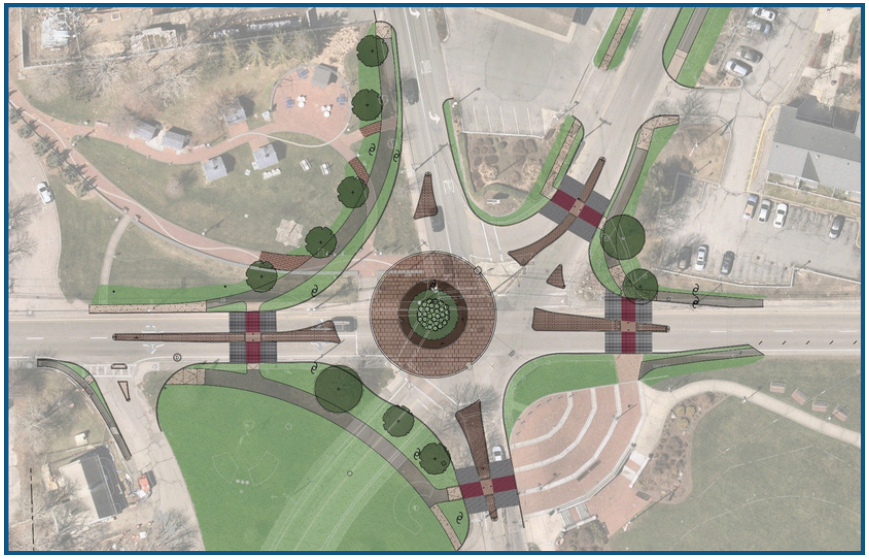

Work hours:
Monday – Friday
7:00 AM to 3:00 PM

WHAT'S HAPPENING

- Six-Points: continued drainage, excavation, sail pole removal, and conduit
- Main Street at South Street: continued drainage
- Main Street: continued accessible (ADA) curb ramp construction

TRAFFIC IMPACTS

Currently all work is being performed with intermittent lane closures.
No road closures anticipated at this time.

The contractor continues necessary drainage and utility work to advance construction of the new roundabout at Six-Points Intersection.

LOOKING AHEAD

Subsurface construction and utility relocations will continue through the Fall and Winter.
As construction progresses later this season, some sections of the road may temporarily have a gravel surface before they are repaved.
Traffic signals at the Six-Points intersection will remain in place and fuctional unti the new roadway configuration is fully operational.
