Dear Water Safety Staff Applicant,

On Saturday, **April 16th, May 7th, and May 14th** the Town of Barnstable Recreation Division will conduct tryouts for prospective 2022 Water Safety Staff. You must complete the test on one of these dates with an 80% or better **in each area** to be considered for any Lifeguard, Lifeguard/Swim Instructor, Head Lifeguard, Head Swim Instructor and/or Sailing Instructor position.

Qualifications required for these positions are Lifeguard Training (including First Aid) for Waterfront, CPR for the Professional Rescuer, Red Cross Certification and Water Safety Instructor Certification (preferred for hire).

All Water Safety Staff must be 17 years of age or older (16 years of age with one season as a Lifeguard Aide and approved prior to this season), with the exception of the Lifeguard Aide Position, which requires all the same certifications but you are eligible at 15 years of age. All positions will be filled post May 7th tryout according to tryout scores. If we still have openings and you did not attend the two tryouts, we will contact you as long as your application is on file.

Application for hire will be accepted beginning **February 1st**:
