LEARN TO SKATE
PROGRAM POLICIES

- Our winter classes are 45 mins long and run for six weeks unless otherwise noted.
- Figure skates with toe picks are strongly recommended for Figure Skating Clinic. This includes the TOTS Program.
- Rental Skates are available on a first come first served basis. However, we highly recommend that you purchase your own skates for the program.
- Gloves and hats should be worn. Also, a heavy sweater or short jacket is recommended for better mobility.
- Helmets are required for all participants enrolled that are 6 years old and under. Helmets are also recommended for beginner level participants (Tots, Badge 1 & 2).
- Each Instructor will teach two badge levels within the 45 minute lesson. Sometimes there will be more than two badges taught. Each group will spend up to 25 mins with the Instructor. The other 20 mins will be used for participants to practice any of the skills. Parents should encourage their child to practice.
- Discipline is necessary on the ice at all times to ensure each participant gets the most from their lesson and practice session. Children must be able to listen and take direction.
- Parents will not be allowed near the lesson areas or on the ice at any time. Parents are asked to stay away from the glass and ice area so they do not attract the attention of the skaters. This will help prevent disruptions to the class.
- Attendance will be taken on the ice by the skating instructor during each class. If the child misses half of the classes, he/she will not be permitted to test. There are no exceptions to this rule. There are no make up classes.
- Please make sure your child is on time for their lesson.
- Barnstable Recreation strongly urges parents to stay during their child's lesson. In case of an emergency, it is beneficial to have the parent/guardian present.
- If your child comes off the ice and is cold, please have him/her remain in the warming house for 5-10 minutes or until warm before sending them back onto the ice.
- It is recommended that the participants practice their skills outside of their lesson. This may be done during public skating sessions. Schedules are available monthly in the rink rental room.
- Any cancellations due to inclement weather will be announced through email and on our Facebook/Instagram pages.
- No refunds will be issued after the first scheduled lesson.
- Instructors reserve the right to move a child to the appropriate level class.
- Children in Kindergarten or 5 years old and first time participants should sign up for Badge 1.
