Razor Clam Classes

Barnstable's Natural Resources Program will offer two FREE razor clam classes:

Sunday, December 20th at 1:30 pm
Wednesday, December 30th at 10:30 am

Class limited to participants that sign up via email and capped at 25 people.

Have you ever wanted to learn how to get razor clams? Need help to know what to look for? What do you do with them after you harvest them? We are here to help!

- ★ Natural Resources staff will teach class members how to salt for razors - from prepping the solution to cooking them up!
- ★ Salt, pump, baskets and gauges will be provided.
- ★ Be prepared to get wet! The shellfish live in wet sand that gets covered by saltwater when the tide is high. Waders, hip boots or knee boots would be helpful. Waterproof gloves are necessary. Dress warm!
- ★ Shellfish that are legally harvested with a valid permit may be taken home.
- ★ SHELLFISH REGULATIONS APPLY AS ALWAYS!

To sign up, please email Elizabeth.lewis@barnstable.gov
All communications about class will be through email so we need an email address to sign you up! For more information, call Natural Resources during office hours
Monday – Friday from 8:30am to 4:15pm at 508-790-6272
