Community Vision, Goals,  
and Strategic Actions

Town Council Update  
November 3, 2022

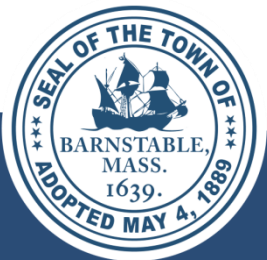

# Community Engagement Plan

- All groups may impact the Local Comprehensive Plan through an iterative, collaborative process: identify and overcome barriers to engagement
- Identify and involve individuals who are passionate and invested in the future of Barnstable
- Convey the results of community engagement to the community, organizations, and the Town's decision-makers
- Consistent source of information and consistent branding
- Community health considerations
- Multiple opportunities

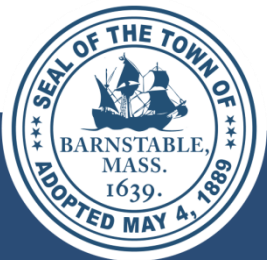

# Community Engagement Plan

- The development of community knowledge and leadership that strengthens the Town's capacity to lead responsible future development.
- The consistent monitoring, evaluation, and adjustment of community engagement to ensure effective planning and representative participation.

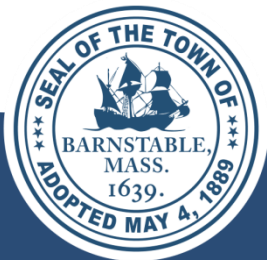

# Visioning = Community Engagement

- Evaluation of existing community conditions and progress of prior plans
- Vision statement: expresses the shared values of the community for future growth and development and resource protection and represents a growth policy for the community
