**Great Streets
Downtown
Hyannis:**
A Walkable
Heart for
Cape Cod

The Great Streets Downtown Hyannis: A Walkable Heart for Cape Cod Project is re-envisioning how Hyannis Main Street and the surrounding streets and intersections are designed and function. Conceptual designs for two-way streets and reconfigured intersections presented at the community meeting held on January 25th are available for review and comment at tinyurl.com/hyannisgreatstreets now through Sunday March 19th.

Barnstable Complete Streets Prioritization Plan Virtual Community Meeting

Wednesday February 15, 2023 @6:00 PM

Link: <https://capecodcommission.org/CompleteStreets/join>

Passcode: join

Meeting ID: 932 6393 2207

Phone: (929) 205-6099

Topic of Discussion:

A presentation will be offered to discuss the draft Prioritization Plan which is a list of top priority roadway improvement projects across Town. Voice your opinion; does the Prioritization Plan reflect our community's priorities? Are there any roadway improvements that should be added to the Prioritization Plan?

To learn more please visit the Complete Streets website:

2023 TOWN OF BARNSTABLE SNOW & ICE

How can you help?

Please stake your property

One of the important things you can do to help our plow drivers is stake the edge of your properties with plow stakes/reflectors.

- Plow stakes can be wood or fiberglass with reflectors on top or wrapped around the body of the stake. The reflective material needs to be high enough up the stake that it can be seen over the snow drift.
- The stakes should be driven into the ground as close to the edge of the property as possible. Generally we recommend placing them every 8-10 feet.
- Installing stakes is easier before the ground freezes, it is recommended you do it sooner rather than later.

Please follow the advice of public safety officials

When a driving ban is put into effect, it is for your protection. Please stay off the roads until given the all clear notice.

- Make certain your vehicle is ready for winter driving.
- Reduce your speed. This is the number one cause of winter accidents.
- Please give plows and sanders the right of way and stay at least 50 feet back from each.
