Gladys West Mathematician

We have a Black woman to thank for GPS! In 1956, Gladys West was hired as a mathematician by the US Naval Proving Ground. It was there that she invented an accurate model of Earth which was then used as the foundation for the creation of Global Positioning System, or what we know as GPS.

Going on now through through March, from 7:00AM to 5:00 PM, West Main Street will be closed from Strawberry Hill Road to Pleasant Park Avenue as shown in Figure 1 below. In addition, Strawberry Hill Road from Pine Street to Craigville Beach Road and Craigville Beach Road from Lake Elizabeth Drive to Centerville Avenue will remain closed during the same timeframe. The closures are necessary due to work associated with the gravity sewer main installation work. Formal road closure and detour will be in place, with resident and business access only.

THIS WEEK

ROADWORK CONSTRUCTION

As always please slow down and use extreme caution when traveling through the road construction areas and follow posted safety and detour signs.
