To confirm your registration if unsure please check with the Town Clerk 508-862-4044

COMPLETE STREETS

The Cape Cod Commission and the Town of Barnstable are working together to analyze the Town's transportation network to identify opportunities to create a more connected, efficient, and accessible roadway network and are seeking community feedback on priority projects at upcoming village meetings.

Some cyanobacteria blooms can look like foam, scum, or mats, particularly when the wind blows them toward a shoreline.

The blooms can be blue, bright green, brown, or red. Blooms sometimes look like paint floating on the water's surface.
