Town Council Meeting – Thursday, June 17, 2021

The Barnstable Town Council Meeting on Thursday, June 17, 2021 at 7:00 PM was held in person at Barnstable Town Hall, 2nd Floor, James H. Crocker, Jr. Hearing Room, 367 Main Street, Hyannis. The public was also able to view through Live Streaming on the Town of Barnstable’s website or Comcast Channel 18.

Town Council President Matthew Levesque opened last night’s [Town Council Meeting](#) by announcing with the recent legislative action by the state, meetings will be held in person during the month of June and return to remote as of July 1, 2021 for the foreseeable future. The Town Council recited the [Pledge of Allegiance](#). Town Councilor Jennifer Cullum offered a [Moment of Silence](#) in honor of Ralph Krau who passed away recently. Mr. Krau was a long-time volunteer who served on many Town committee’s including most recently the Comprehensive Financial Advisory Committee. *Picture is from the August 19, 2019 Town Council meeting when Precinct 13 Town Councilor Jen Cullum presented Deb and Ralph Krau of Hyannis with a Citation from the Town Council recognizing their volunteer efforts to improve their village and their Town. The list of their accomplishments is so long we couldn’t fit it all here. A small sample of their*

work includes: (for Deb) the Hyannis Water Board, Hyannis Fire Department Moderator; (for Ralph) the Comprehensive Financial Advisory Committee, the Town's 375th Celebration Committee; and (for both) the 4th of July Parade and Hyannis Open Streets. Congratulations, Deb & Ralph! Thank you for your efforts! And to paraphrase Ralph, "we look forward to the next decade!" Next up was [Public Comment](#) which was followed by Barnstable Police Chief Matthew Sonnabend provided an update on traffic issues in the Town and then [Council response to Public Comment](#). **OLD BUSINESS** began with Inspectional Services Director and Building Commissioner Brian Florence presenting [Agenda Item 2021-153](#) Appropriation Order in the amount of **\$2,353,579** for the Inspectional Services Department Fiscal Year 2022 Operating Budget which was approved. Town of Barnstable Statement in Response to Conservation Law Foundation Lawsuit

In response to a lawsuit filed by the Conservation Law Foundation (CLF) on Wednesday, June 16, 2021, that alleges that the Town of Barnstable has failed to comply with the state regulations that apply to private septic systems, the Town has provided the following statement.

The Town of Barnstable has long prided itself on its commitment to protecting the environment and the coastal waters off Cape Cod. Despite the Town's commitment, the Conservation Law Foundation ("CLF") has filed a lawsuit in state court alleging that the Town has failed to comply with the state regulations that apply to private septic systems. The Town faithfully administers the Massachusetts Department of Environmental Protection (MassDEP) regulations, but CLF's lawsuit threatens to impose significant burdens on Barnstable's residents and businesses. Specifically, CLF requests an order requiring most Barnstable property owners to pay for expensive upgrades to their fully compliant septic systems. It also seeks an order prohibiting the Town from approving most new septic systems and prohibiting the Town from accepting a "passing inspection report" for such systems. Together, these orders would effectively stop new construction utilizing fully compliant septic systems in Barnstable, and they would prevent the sale of most properties in Barnstable with a septic system.

This new lawsuit follows a lawsuit that CLF filed against the Town in federal court earlier this year. In that complaint, CLF alleged that the Town's fully permitted and compliant Water Pollution Control Facility is

violating the federal Clean Water Act because treated wastewater from the plant travels through groundwater and ultimately reaches, after more than twenty years, coastal water off Cape Cod. If CLF prevails in its federal lawsuit, the Town could be subject to millions of dollars of penalties, attorney's fees, and increased wastewater management costs. In addition, nearly every septic system on Cape Cod will be subject to the Clean Water Act, and owners of septic systems will need to obtain a federal permit or face lawsuits like CLF's that threaten penalties totaling tens of thousands of dollars per day.

The Town believes that CLF's legal claims in these lawsuits are meritless and intends to defend against them aggressively. As Barnstable Town Manager Mark Ells commented, "we are committed to doing everything in our power to preserve the health of the waters surrounding the Cape. That is why we enforce the state law for septic systems and why we have developed and received regulatory approval for a Comprehensive Wastewater Management Plan (CWMP) for the Town of Barnstable. The CWMP is a plan to protect our waters by reducing the amount of key nutrients like nitrogen that harm water quality in our coastal estuaries. By implementing the CWMP, Barnstable will achieve the nitrogen reduction called for in the Total Maximum Daily Load documents developed by the Massachusetts Department of Environmental Protection and approved by the federal Environmental Protection Agency for estuaries on the Cape. CLF's demands in these twin lawsuits exceed any requirement of either state or federal law, disrupt Barnstable's plans to implement the CWMP, and carry the potential of devastating economic impact on Barnstable's residents and businesses."

Sign Up for Cyanobacteria Alerts

The Town will be contracting with the Association to Preserve Cape Cod (APCC) to conduct routine monitoring and reporting of cyanobacteria in Barnstable's Lakes and Ponds. This sampling will begin soon. If you are interested in receiving an email notification, when a potentially toxic bloom is identified by APCC, you **must opt-in** to the APCC toxic alerts. In order to receive email notification for toxic alerts, click this link: <https://apcc.org/our-work/science/community-science/cyanobacteria/cyanobacteria-alert/> This link will bring you to a webpage where you **must enter your email** in order to receive toxic alerts. You can also check out the cyanoMAP at <https://apcc.org/our-work/science/community-science/cyanobacteria/> to see the recent cyanobacteria monitoring results from APCC.

As we enter the summer season, we wanted to let you know the Town is planning to resume cyanobacteria monitoring and reporting. However, this program will have a delayed start this year due to unanticipated staff turnover. We expect the program to resume in July. Until this program is back up and running, we wanted to provide some tips to identify cyanobacteria blooms, what to do if you suspect a bloom, and who to contact.

Identifying Cyanobacteria Blooms

The Massachusetts Department of Public Health has provided examples of cyanobacteria blooms with scums and without scums. <https://www.mass.gov/service-details/identifying-cyanobacterial-blooms-and-scums-photographs-of-blooms-and-scums>

How do I know if there is a harmful algal bloom in the water?

Cyanobacteria can cause the water to appear slightly discolored, cloudy, or resemble pea soup or paint. They are usually blue or green but can also be brown or red. They can also give the water a bad odor. The cyanobacteria in some blooms are dispersed throughout the water, while in other blooms they are concentrated in a scum or mat, either on the surface of the water or in sediment along the shoreline.

What if you Suspect a Cyanobacteria Bloom?

WHEN IN DOUBT, STAY OUT!

If you see a possible cyanobacteria bloom, avoid contact with the water.

Contact the Health Department at 508-862-4644 or email health@town.barnstable.ma.us, if the bloom is at a recreational waterbody.

Accessory Dwelling Unit Update: Public Hearing Date Change

The Town of Barnstable advertised a public hearing to consider zoning amendments allowing Accessory Dwelling Units for an in-person Town Council meeting on July 1st. On June 16th, the Governor signed a bill allowing public meetings to continue to be held remotely. In order to maximize the opportunity for public participation, the public hearing on the ADU zoning amendments has been rescheduled for July 15th and the hearing will be held remotely, via Zoom. Details for the Zoom meeting including the link and meeting ID are forthcoming and will be incorporated with all future communications.

Welcome Back to Our Community Service Officers

Effective Monday, June 14th, 10 Barnstable Police summer Community Service Officers (CSOs) began their duty in the Hyannis Main Street area, assisting the Community Impact Unit and the rest of the department in keeping an eye on downtown. The goal of the CSO program is to provide a visible, easily identifiable Department presence on Main Street. The CSOs act mainly as liaisons between sworn personnel and the businesses,

visitors, etc., and are used to

supplement the sworn presence on Main Street and surrounding areas. They are our “eyes and ears”. Make sure to stop them to say “Hello” and welcome them back when you see them! In these photos, Sergeant Eric Drifmeyer and Ptl. Scott Leger of the Department’s Community Impact Unit are on the Hyannis Village Green explaining some of the concerns and challenges the CSOs can expect to encounter this summer.

JetBlue Returns to Cape Cod Gateway Airport

Cape Cod Gateway Airport (HYA), formerly Barnstable Municipal Airport, is excited to announce the return of JetBlue Airways for their 8th season of service. Beginning Thursday, June 17, 2021, daily flights are scheduled to arrive from New York's John F. Kennedy International Airport (JFK) at 11:11 a.m. and depart to JFK at 11:49 a.m. EST (schedule subject to change). "We are thrilled with the return of JetBlue," said Airport Manager Katie Servis. "This route furthers our mission to provide convenient air service for people traveling to and from the economic center of Cape Cod, Hyannis, and provides fast and easy travel for residents, visitors and business travelers." TSA requires proper wearing of face masks, per federal law. Face masks are to be worn at all times in the terminal and on aircraft. Failure to comply will result in denial of entry to the screening areas and may result in penalties. Cape Cod Gateway Airport (HYA) is continuing to implement social distancing policies, as well as enhanced cleaning procedures throughout the airport.

BARNSTABLE CELEBRATES 2021 INDEPENDENCE DAY

We expect this information to be updated weekly.

Family Activities are planned for Hyannis 2:00 PM-8:00 PM

Traditional Parades and Celebrations scheduled in Barnstable Village, Cotuit and Hyannis Port

FIREWORKS IN LEWIS BAY AT DUSK

Town Manager Mark Ells has announced the Town of Barnstable will work in collaboration with the Hyannis Main Street Business Improvement District (BID) and the Greater Hyannis Chamber of Commerce to host family friendly activities on Sunday, July 4th on the Hyannis Village Green and spanning across the mile-long Hyannis Main Street down to Hyannis Harbor. Residents and visitors will be delighted as they walk along Main Street and enjoy the sights. There is no annual Hyannis 4th of July parade this year.

HYANNIS HARBOR & ASELTON PARK

Starting at 2:00 PM the traditional Hyannis Marina Boat Parade will take place in Hyannis Harbor. Boats are invited to line up starting at 1:00 PM at the marina and the parade enters the Harbor at 2:00 PM where spectators will find interactive family activities taking place at Aselton Park from 2:00 PM-6:00 PM as they cheer on the boaters and enjoy the decorated vessels. Don't forget your camera! Be sure to use #hyannis4th and tag @townofbarnstable

(Facebook/Instagram) or @BarnstableMA (Twitter) on your social networking posts.

HYANNIS VILLAGE GREEN

The Hyannis Village Green will feature familiar family activities from 2:00 PM-6:00 PM including the Roaming Railway that loops around the Hyannis Village Green and Harbor Overlook brick pathway and the interactive Fun Zone with plenty of family friendly games.

5:00-8:30 PM Six Main Street Stations – Music by DJ's and live musical groups!

Village Green Band Stand

- 5:30 PM Cape Cod Moonlighters Big Band
- 6:30 PM Cape Cod Ukulele Group
- 7:00 PM Mamma's Marmalade

Mamma's Marmalade: Since their formation in 2014, the five piece string band has been fusing diverse musical backgrounds into a sound that bursts at the seams with energy, exuding a pure joy for creating music. Providing a window to the future of bluegrass while keeping the flavor of Americana and Rock n' Roll alive, Mamma's honest lyrics and warm, acoustic tones invite

listeners back to a time when wooden instruments and sweet vocal harmonies captivated the hearts of America. Experimenting with intricate instrumentals and lively originals, their music brings the genre to new and unexpected places. More info about the band can be found at <http://www.mamasmarmalade.com/>

MILE-LONG HYANNIS MAIN STREET

Starting at 4:00 PM Hyannis Main Street will come alive with activity as jugglers, stilt walkers and other revelry makers will be "Dancing in the Streets of Hyannis." DJ stations and live musicians will be dotted along the mile-long pedestrian walkway and invite folks to dance along with them; enjoy the activities in the kids FunZone and encourage movement throughout the experience.

Questions and inquiries about the Hyannis festivities can be directed to Elizabeth Wurfbain, Executive Director Hyannis Main Street Business Improvement District, 419A Main Street, Hyannis MA 02601 elizabeth@hyannismainstreet.com or Marty Bruemmel, President/CEO Greater Hyannis Chamber of Commerce at info@hyannis.com or Amy Harwood, Marketing & Outreach Manager, Town of Barnstable Planning & Development Department - Economic Development program amy.harwood@town.barnstable.ma.us. Donations

are welcome from individuals and businesses who would like to contribute funds that will make this celebration possible. Contributions by check should be made payable to "Town of Barnstable – Fourth of July Celebration" and may be directed to Amy Harwood, Marketing & Outreach Manager, Town of Barnstable-Town Hall, 367 Main Street, Hyannis, MA 02601.

HYANNIS PARKING BANS

Parking bans will be in place from 7:00 PM-11:00 PM on South Street, Ocean Street, Sea Street and all roads leading to and around Gosnold Street to accommodate foot traffic for the fireworks. **Please note:** the Barnstable Police Department has jurisdiction beyond these closures to ensure public safety, and will do so on an as needed basis.

PARKING & TRANSPORTATION

PARKING – There are several municipal lots in downtown Hyannis where free parking is available for up to 6 hours. All-day permits can be purchased at www.permitvats.com.

Cape Cod Regional Transit Authority (CCRTA) has hourly parking available after the first 30 minutes free at the Hyannis Transportation Center. Long term parking is also available for daily rates.

CCRTA will be operating on its regular routes with a loop every 45 minutes throughout the day. Normally the service ends at 9:00 PM but service will be extended as needed to accommodate riders following the fireworks. For more information and service routes, please visit www.capecodrta.org

BEACH PARKING – Barnstable Public and Resident Only Beaches gates close at 10:00 PM. Kalmus Beach closes at 4:00 PM and is open for handicap parking only (permit must be shown at the gate).

FIREWORKS* - LEWIS BAY AT DUSK

The Town of Barnstable is proud to present this year's traditional fireworks show from a barge in Lewis Bay. MORE ABOUT THE HYANNIS HYARTS SHANTY PROGRAM:

Artists change weekly, throughout the season. Over 75 will participate this year.

The shanties are located in two spots along Hyannis Harbor: Bismore Park, Ocean Street and at the Harbor Overlook, along the Walkway-to-the-Sea at the corner of South and Ocean Street. Meet Cape Cod artists

working and selling their hand-made or hand crafted art. Work includes a variety of media: photography, paint, jewelry; ceramics, wood turning, tapestry, fiber art and more. There is no fee to browse and of course if purchases are made it is a fabulous way to shop local and support the creative economy. This popular attraction provides a picturesque setting for visitors to stroll Main Street to the waterfront, meet local artists, listen to music, dine in one of several restaurants or picnic in the park, taking in all the sights and sounds of a working waterfront and thriving Main Street. The Town run artist shanty program provides affordable rental space for Cape Cod artists and artisans to work and sell at these “seaside studios”. This program provides prime visibility and opportunities for artists to gain and improve business, marketing and selling skills, connect with other artists and meet visitors from around the world.

Dog Licenses

It is time to renew or obtain a new 2021 Town of Barnstable Dog License. The Town of Barnstable requires that anyone who owns, keeps, possesses or has control of a dog six months of age or older must have their pet licensed and vaccinated against rabies every year. In the interest of continued social distancing, and limiting face-to-face contact with others we have converted to a touch-free payment process for your 2021 Dog License. Renewals were sent by email, so check your spam folder! For more information please click [here](#).

ROAD WORK UPDATES

As always please slow down and use extreme caution when traveling through the road construction areas and follow posted safety and detour signs.

***NEW* National Grid New Customer Hookups**

Wednesday and Thursday, June 23-24, 2021 Neuco crews will install gas service on 1815 Phinney's Lane, Barnstable. Typical natural gas service installation includes marking out underground utilities within the project area, excavation of the street, laying gas main, relaying customer's individual gas service and connecting those services to the main and installing meters. This project should take about two days to complete. Visit ngrid.com/service_line to view a YouTube video explaining the replacement of the service pipe to customer homes. Operations will start promptly at 7:00 AM and run until 3:00 PM. Reduce speed, and use caution. All scheduled work is dependent on weather and/or may be impacted due to an emergency situation.

***UPDATED* National Grid Gas Pipe Installation, Anchor Lane**

National Grid, through their contractor Fraser Engineering, is planning on replacing the Anchor Lane Regulator Station, which will include removal of the existing regulator station and installation of a prefabricated 3 layer regulator station, and new gas lines that will tie into the existing 10" gas main located along the Route 28 roadway shoulder. Work will take place on the corner of Anchor Lane and Falmouth Rd (Route 28) in Cotuit. Construction is expected to last to **September 1, 2021**. Weather pending, construction will be on-going, Monday through Friday from 7:00 AM to 4:30 PM until completion of this phase of the project. Portions of Anchor Lane travel lanes will be restricted, and work on Falmouth Road will include temporary lane closures, which will be controlled by police details. As always, please slow down and use extreme caution when traveling through the road construction areas, and follow posted safety and detour signs.

***CONTINUES* Rendezvous Lane Wastewater Pump Station Replacement Project**

The Town of Barnstable's contractor, Robert B. Our Co., Inc., is under contract to complete a wastewater pump station replacement project at the intersection of Rendezvous Lane, Kent Road and Salten Point Road. The project involves a new below grade precast concrete wet well and valve vault, pumping system, control panel, standby generator and gravity sewer main to replace the existing wastewater pump station at the Town Right of Way to Barnstable Harbor at the end of Rendezvous Lane. The improvements are necessary to replace the existing pump station approaching the end of its intended service life and to relocate the new pump station above the FEMA base flood elevation. Typical work hours are 7:00 AM to 4:00 PM, with groundwater dewatering pumps and sewer bypass pumps occasionally requiring 24/7 operation. Remaining work includes installation of curbing, final paving the roadway and restoration of disturbed areas. The Town Way to Water will remain accessible via Kent Road to Salten Point Road for the duration of the project, unless otherwise noted.

***UPDATED* Drainage & Pavement Improvements on Wheeler Road in Marstons Mills**

Drainage and pavement improvements on Wheeler Road in Marstons Mills are currently on-going and will continue during the week of June 21st, 2021. The remaining work will include the raising of structures to finished grade, final asphalt paving and restoration of all disturbed areas. Please use caution and safe speeds when traveling on Wheeler Road during construction operations.

***UPDATED* Drainage Improvements on Lake Shore Drive in Marstons Mills**

The Towns contractor, Tasco Construction, will continue drainage improvements at five (5) locations along Head of the Pond Rd and Lake Shore Drive in Marstons Mills. The work includes installation of new drainage systems, repairs to existing drainage systems, adjustment of drainage structure castings, and restoration of any areas disturbed during construction. Normal work hours will be between 7:00 AM to 3:30 PM, Monday through Friday. Through traffic will be maintained throughout construction. Any lane closures will be supported with police details to direct traffic. Motorists are advised to seek alternate routes to avoid the construction work.

***UPDATED* MassDOT Schedules Intersection Improvements at Falmouth Road (Route 28) at Osterville West Barnstable Road**

MassDOT Construction operations on the intersection at Falmouth Road (Route 28) at Osterville West Barnstable Road are ongoing and will continue through to June 21, 2021. The road has been redesigned to include exclusive left turn lanes and improve bicycle and pedestrian accommodation as part of the proposed safety improvement work. The work to be done consists of furnishing and installing of new traffic signal equipment at the intersection including emergency vehicle pre-emption system, bicycle and vehicles loop detectors, construction of ADA compliant wheelchair ramps, sidewalks, and driveways, box widening, pavement milling and resurfacing, new pavement markings and signs, drainage improvements, water distribution modifications, existing utility pole relocations, installation of granite curbing, loam and seeding.

Work will be performed during the day, Monday through Friday 7:00 AM-3:30 PM. Nightwork is anticipated for the week of June 21st to complete the striping of the newly paved intersection. Traffic control will include all required signage, channeling devices for lane shifts and alternating one-way traffic as required. Police details/ flaggers will be used as needed. Visit www.mass511.com, a website which provides real-time traffic and incident advisory information, and allows users to subscribe to text and email alerts for traffic conditions. Follow MassDOT on Twitter @MassDOT to receive regular updates on road and traffic conditions. Download MassDOT's GoTime mobile app and view real-time traffic conditions before setting out on the road.
