

On Tuesday, June 22<sup>nd</sup>, the Town welcomed Secretary of Housing and Economic Development Mike Kennealy, who was joined by State Senator Julian Cyr and State Representative Kip A. Diggs, Town Council President Matthew Levesque, Town Manager Mark Ells, Assistant Planning & Development Director Kate Maldonado, Planning and Economic Development Coordinator Gloria McPherson, Housing Assistance Corporation CEO Alisa Magnotta, local business owners, and others involved in the downtown development, to celebrate and showcase significant achievements in housing production and economic development in Hyannis. This event was coordinated by, Rob Brennan, local developer and owner of CapeBuilt, who commenced the tour with a site visit to Sea Captains Row at Pleasant Street where Phase 1, comprised of 46 rental apartments that are being financed by MassDevelopment, is currently being constructed. A quick stroll of downtown, presented by Hyannis Main Street Business Improvement District Executive Director Elizabeth Wurf Bain, offered a visit to key downtown sites and discussion of and gratitude for support and initiatives afforded by the Baker-Polito Administration that have allowed the Town to implement positive changes along Main Street as well as the Town’s Transformative Development Initiative (TDI) District. The tour culminated with a ribbon cutting to celebrate the recently completed mixed-use development located at 255 Main Street which received funding through MassWorks. The Town is excited to share that both Sea Captains Row and 255 Main Street bring affordable housing in addition to market rate housing to the greater downtown area.

### **Barnstable County No Longer Holding COVID-19 Vaccine Clinics at Cape Cod Community College - Future Vaccine Clinics to be held at County Complex**

The Barnstable County Department of Health and Environment announced on Thursday, June 24<sup>th</sup> that it will no longer conduct COVID-19 clinics at the Cape Cod Community College gymnasium. Instead, **beginning July 1**, Barnstable County will be holding weekly COVID-19 vaccine clinics in the **Harborview Conference Room** located at the top of the hill within the Barnstable County Complex at 3195 Main Street in Barnstable Village. Clinics will take place at this location **every Thursday from 10:00 AM to 2:00 PM**. Pfizer vaccine will be offered to anyone age 12+, and Johnson & Johnson vaccine will be offered to anyone age 18+. Barnstable County would like to acknowledge the invaluable service Cape Cod Community College, via the support and cooperation of College President John Cox, Vice President of Finance and Operations Chris Clarke, Chief of College Police Maria Padilla and Director of Facilities and Sustainability Joe MacKinnon provided to our region during the COVID-19 pandemic. The College has hosted 48 vaccine clinics and provided an accessible location for the administration of over 22,000 injections through Barnstable County clinics alone; these figures do not include several additional clinics that were operated by Cape Cod Healthcare at the site as well. Cape Cod Community College also served as a drive-through COVID-19 testing site in the early stages of the pandemic and was praised by Governor Charlie Baker for excellent layout and throughput. According to Sean O'Brien, Director of Barnstable County's Department of Health and Environment, the partnership with 4Cs was an integral part of the County's vaccine distribution plan. "We could not have provided such outstanding service to this community without use of their facilities. The traffic flow, parking and availability of a large indoor space were precisely what we needed to pull off such a successful vaccination effort and we are extremely grateful for their contribution."

### **Household Hazardous Waste Collection - Saturday, June 26, 2021**

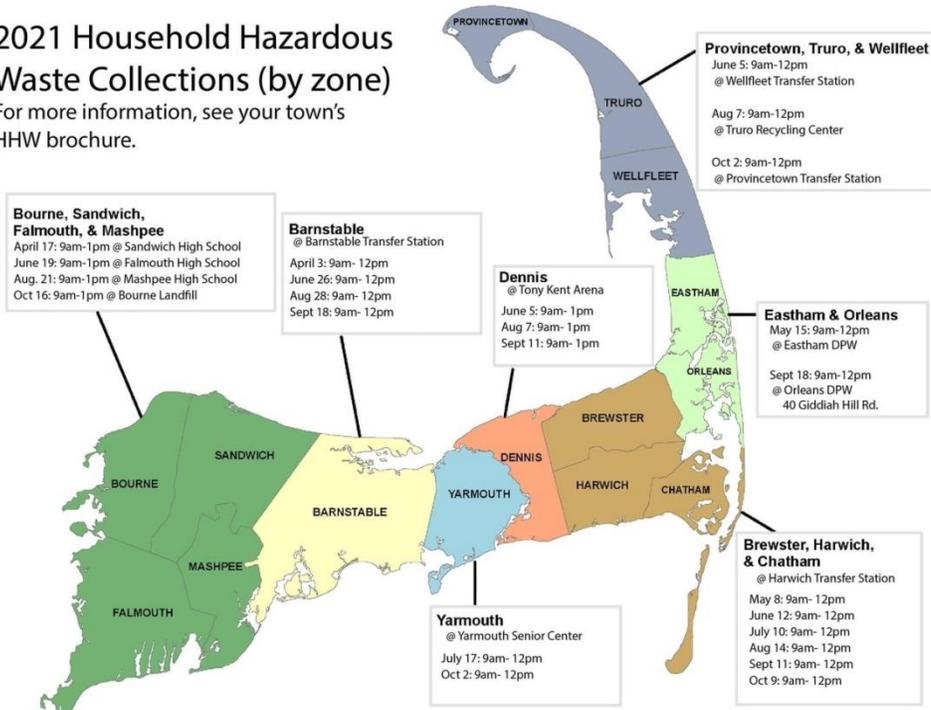

The Town of Barnstable Department of Public Works Solid Waste Division in collaboration with Barnstable County is holding a Household Hazardous Waste Collection on Saturday, June 26, 2021 at the Transfer Station located at 45 Flint Street, Marstons Mills. Participants must have a current Full Transfer Station Sticker. Without a current sticker, participants must show proof of year round residency or residential property ownership in the Town of Barnstable to participate in the collection and pay a \$10.00 per visit fee. The hours of the Hazardous Waste Collection are 9:00 AM – 12:00 PM. Stickers are available at the office by appointment, by mail or online.

For questions, call P.J. Kelliher at 508-420-2258, or refer to the Town's Website

<http://www.townofbarnstable.us/solidwaste/2018HHW/2018%20Barnstable%20HHW%20Brochure.pdf> or to the County's website for Household Hazardous Waste at [www.loveyourlocalwater.org](http://www.loveyourlocalwater.org)

## Sign Up for Cynobacteria Alerts

The Town will be contracting with the Association to Preserve Cape Cod (APCC) to conduct routine monitoring and reporting of cyanobacteria in Barnstable's Lakes and Ponds. This sampling will begin soon. If you are interested in receiving an email notification, when a potentially toxic bloom is identified by APCC, you ***must opt-in*** to the APCC toxic alerts. In order to receive email notification for toxic alerts, click this link: <https://apcc.org/our-work/science/community-science/cyanobacteria/cyanobacteria-alert/> This link will bring you to a webpage where you ***must enter your email*** in order to receive toxic alerts. You can also check out the cyanoMAP at <https://apcc.org/our-work/science/community-science/cyanobacteria/> to see the recent cyanobacteria monitoring results from APCC.

## Cyanobacteria Notice

**WHEN IN DOUBT STAY OUT**

**Q: WHAT DOES CYANOBACTERIA LOOK LIKE?**

**A: IT CAN LOOK LIKE PEA SOUP OR A BLUE-GREEN PAINT SPILL ON THE WATER'S SURFACE. THE WATER COULD ALSO LOOK MURKY A BROWNISH GREEN MILKY GREEN OR BLUE.**

LEARN MORE AT [WWW.BARNSTABLEWATERRESOURCES.COM](http://WWW.BARNSTABLEWATERRESOURCES.COM)

As we enter the summer season, we wanted to let you know the Town is planning to resume cyanobacteria monitoring and reporting. However, this program will have a delayed start this year due to unanticipated staff turnover. We expect the program to resume in July. Until this program is back up and running, we wanted to provide some tips to identify cyanobacteria blooms, what to do if you suspect a bloom, and who to contact.

### **Identifying Cyanobacteria Blooms**

The Massachusetts Department of Public Health has provided examples of cyanobacteria blooms with scums and without scums. <https://www.mass.gov/service-details/identifying-cyanobacterial-blooms-and-scums-photographs-of-blooms-and-scums>

### **How do I know if there is a harmful algal bloom in the water?**

Cyanobacteria can cause the water to appear slightly discolored, cloudy, or resemble pea soup or paint. They are usually blue or green but can also be brown or red. They can also give the water a bad odor. The cyanobacteria in some blooms are dispersed throughout the water, while in other blooms they are concentrated in a scum or mat, either on the surface of the water or in sediment along the shoreline.

### **What if you Suspect a Cyanobacteria Bloom?**

#### **WHEN IN DOUBT, STAY OUT!**

If you see a possible cyanobacteria bloom, avoid contact with the water.

Contact the Health Department at 508-862-4644 or email [health@town.barnstable.ma.us](mailto:health@town.barnstable.ma.us), if the bloom is at a recreational waterbody.

### **Accessory Dwelling Unit Update: Public Hearing Date Change**

The Town of Barnstable advertised a public hearing to consider zoning amendments allowing Accessory Dwelling Units for an in-person Town Council meeting on July 1st. On June 16th, the Governor signed a bill allowing public meetings to continue to be held remotely. In order to maximize the opportunity for public participation, the public hearing on the ADU zoning amendments has been rescheduled for July 15th and the hearing will be held remotely, via Zoom.

## Call to Volunteers

## CALL TO VOLUNTEERS

*The Town of Barnstable and the Hyannis Main Street Business Improvement District, drawing on grant funding from the Commonwealth of Massachusetts, are in the process of jointly developing a Local Rapid Recovery Plan for the local downtown Hyannis business area.*

### **WHO:**

Six (6) Extroverts willing to be on their feet for 1 ½ hours; walk short distances and be comfortable approaching people.

### **WHAT:**

Complete Intercept Surveys

### **WHEN:**

Scheduled Times:  
Sun-Sat  
July 11-31  
12:30-2pm, 6:30-8pm

### **WHERE:**

Main Street, Hyannis  
Survey Locations will be assigned during training.

As part of this effort, we are planning to do a survey of pedestrians, so that we can better understand what drew them to the District, where they are coming from, how they typically spend their money and what else they would like to see.

We are looking for extroverts who would be willing to interview pedestrians in late July. The time commitment would consist of two (2) separate one and half (1 ½) hour blocks, on either a weekday and/or a weekend, in the daytime and/or the evening – you would be free to choose the days and shifts that work best for you. You would be paired with another interviewer, given a half-hour training beforehand (complete with a script) and provided with personal protective equipment (PPE). Finally, you would be responsible for tabulating and submitting the results afterwards.

This experience offers an ideal learning opportunity for anyone who is interested in Downtowns, what makes them tick and how they can be revitalized as well as those considering careers in the retail, hospitality and tourism industries.

Contact Amy Harwood, Marketing & Outreach Manager.

### **Exciting News: Volunteers Needed for New Respite Program**

The Barnstable Council on Aging is thrilled to announce a respite program starting this fall. We are looking for caring, energetic, and compassionate volunteers to support this new respite program. All volunteers will receive Dementia Friendly training and work alongside a BCOA staff member. For more information please contact Stacey Cullen **508-862-4765** or email: [stacey.cullen@town.barnstable.ma.us](mailto:stacey.cullen@town.barnstable.ma.us)

### **Support Services:**

Support Services are available to assess the needs of Barnstable citizens age 60+, to advocate for these older adults, provide them with assistance, resources and referrals for local, State and Federal programs. Support Services also acts as a safety net for isolated and homebound older adults in our community. Here are some of the resources available:

- **Health Insurance Counseling/ SHINE** - The SHINE Program is for people who have Medicare or are about to become eligible for Medicare and need to connect with a counselor to learn about benefits and options.
- **Caregiver Support** - The Barnstable Council on Aging continues its commitment to caregivers in our community. Caregiver Support Services provides educational programs, respite opportunities, dementia friendly programs and resources to caregivers.
- **Fuel Assistance** - Support Services continues to assist with Fuel Assistance applications. Fuel Assistance renewal forms will be sent out to those who had FA the previous year in August. New applications can begin to be filed thereafter.
- **Real Estate Tax Abatement Program/ 41C** - Support Services continues to be available to assist with the 41C application. This application must be filed annually. Applications for the FY22 can begin to be filed in July.
- **Telephone Reassurance Program** - Daily check-in phone calls made to seniors who may live alone, are isolated or homebound.
- **Mailbox Sticker Program** - Working with our local Post Offices, the sticker is placed in mailbox and simply says "if there is an accumulation of three (3) days of mail in the box, please notify the Barnstable Council on Aging".
- **Brown Bag Program** - In conjunction with the Greater Boston Food Bank, the program provides a bag of groceries the first Friday of each month. Bags can either be picked up at the BACC or can be home delivered.
- **The Barnstable Silver Alert Program** - The Silver Alert Program provides the Barnstable Police Department with vital information about potential "at risk" residents in the Town who may wander or may have the potential for getting lost.

The Support Services Program is available to answer any questions, to provide community resources or to assist

with any of the above programs. For information on Caregiver support, please contact Stacey Cullen at 508-862-4765. For information on other Support Services resources, please call Jacqi Easter at (508)862-4757 for information or to schedule an appointment.

### **REAL ID**

The Department of Homeland Security (DHS) has extended the REAL ID full enforcement date from October 1, 2021 to **May 3, 2023**. At that time, air travelers 18 years of age and older will need a REAL ID compliant driver's license or identification card, or another TSA-acceptable form of identification, for domestic air travel and to enter certain federal facilities. For more information, check the DHS web site at: <https://www.dhs.gov/real-id>

## **ROAD WORK UPDATES**

As always please slow down and use extreme caution when traveling through the road construction areas and follow posted safety and detour signs.

### **\*CONTINUES\* National Grid Gas Pipe Installation, Anchor Lane**

National Grid, through their contractor Fraser Engineering, is planning on replacing the Anchor Lane Regulator Station, which will include removal of the existing regulator station and installation of a prefabricated 3 layer regulator station, and new gas lines that will tie into the existing 10" gas main located along the Route 28 roadway shoulder. Work will take place on the corner of Anchor Lane and Falmouth Rd (Route 28) in Cotuit. Construction is expected to last to **September 1, 2021**. Weather pending, construction will be on-going, Monday through Friday from 7:00 AM to 4:30 PM until completion of this phase of the project. Portions of Anchor Lane travel lanes will be restricted, and work on Falmouth Road will include temporary lane closures, which will be controlled by police details. As always, please slow down and use extreme caution when traveling through the road construction areas, and follow posted safety and detour signs.

### **\*CONTINUES\* Rendezvous Lane Wastewater Pump Station Replacement Project**

The Town of Barnstable's contractor, Robert B. Our Co., Inc., is under contract to complete a wastewater pump station replacement project at the intersection of Rendezvous Lane, Kent Road and Salten Point Road. The project involves a new below grade precast concrete wet well and valve vault, pumping system, control panel,

standby generator and gravity sewer main to replace the existing wastewater pump station at the Town Right of Way to Barnstable Harbor at the end of Rendezvous Lane. The improvements are necessary to replace the existing pump station approaching the end of its intended service life and to relocate the new pump station above the FEMA base flood elevation. Typical work hours are 7:00 AM to 4:00 PM, with groundwater dewatering pumps and sewer bypass pumps occasionally requiring 24/7 operation. Remaining work includes installation of curbing, final paving the roadway and restoration of disturbed areas. The Town Way to Water will remain accessible via Kent Road to Salten Point Road for the duration of the project, unless otherwise noted.

### **\*UPDATED\* Drainage & Pavement Improvements on Wheeler Road in Marstons Mills**

Drainage and pavement improvements on Wheeler Road in Marstons Mills are currently on-going and will continue during the week of June 28th, 2021. The remaining work will include the raising of structures to finished grade, installation of additional curb inlets, final asphalt paving and restoration of all disturbed areas. Please use caution and safe speeds when traveling on Wheeler Road during construction operations.

### **\*CONTINUES\* Drainage Improvements on Lake Shore Drive in Marstons Mills**

The Town's contractor, Tasco Construction, will continue drainage improvements at five (5) locations along Head of the Pond Rd and Lake Shore Drive in Marstons Mills. The work includes installation of new drainage systems, repairs to existing drainage systems, adjustment of drainage structure castings, and restoration of any areas disturbed during construction. Normal work hours will be between 7:00 AM to 3:30 PM, Monday through Friday. Through traffic will be maintained throughout construction. Any lane closures will be supported with police details to direct traffic. Motorists are advised to seek alternate routes to avoid the construction work.

### **\*UPDATED\* MassDOT Schedules Intersection Improvements at Falmouth Road (Route 28) at Osterville West Barnstable Road**

MassDOT Construction operations on the intersection at Falmouth Road (Route 28) at Osterville West Barnstable Road are ongoing and will continue through to June 21, 2021. The road has been redesigned to include exclusive left turn lanes and improve bicycle and pedestrian accommodation as part of the proposed safety improvement work. The work to be done consists of furnishing and installing of new traffic signal equipment at the intersection including emergency vehicle pre-emption system, bicycle and vehicles loop detectors, construction of ADA compliant wheelchair ramps, sidewalks, and driveways, box widening, pavement milling and resurfacing, new pavement markings and signs, drainage improvements, water distribution modifications, existing utility pole relocations, installation of granite curbing, loam and seeding. Work will be performed during the day, Monday through Friday 7:00 AM-3:30 PM. The paving work is completed and the only work to remain is site restoration that will take place in the Fall. Follow MassDOT on Twitter @MassDOT to receive regular updates on road and traffic conditions. Download MassDOT's GoTime mobile app and view real-time traffic conditions before setting out on the road.

## The Last Word:

Rest is not idleness, and to lie sometimes on the grass under trees on a summer's day,  
listening to the murmur of the water, or watching the clouds float across the sky,  
is by no means a waste of time.
