

Town of Barnstable Presented with the Presidential Citation from the Republic of Korea

On October 19th, a ceremony was held at the Korean War Memorial, located at Veteran’s Park Beach, to recognize the Town of Barnstable for its longstanding support of Cape Cod’s Korean War Veterans. Commander Roy Thomas of the Cape Cod Chapter of the Korean War Veterans Association (KWVA) stated that the KWVA nominated the Town of Barnstable for the award “because of the critical support of Korean War Veterans on Cape Cod rendered by the Town in giving choice waterfront real estate for the location of the Korean War Memorial and for doubling the value of a fund in its custody for the perpetual upkeep of the monument.” Presenting the Presidential Citation on behalf of the President of the Republic of Korea, Consul General Yonghyon Kim conveyed his warmest greetings to the people of Barnstable and noted that this year marks the 70th anniversary since the outbreak of the Korean War. He shared that “the Presidential Citation was being awarded to the Town of Barnstable to recognize its outstanding endeavors to honor Korean War Veterans by providing a space for the memorial, for their excellent association with the KWVA, and for the immaculate management of the memorial. By doing so the Town has greatly contributed to the public education of the Korean War, the importance of freedom and peace, and to remembering the war heroes.” In accepting the Presidential Citation from Consul General Kim, Town Council President Paul Hebert shared that it was a tremendous honor for the Town to receive such a prestigious award and expressed his hope “that deep in our hearts someday there will be absolute peace between the two countries of Korea.” *Pictured above Commander Roy Thomas of the Cape Cod Chapter of the Korean War Veterans Association (KWVA), Barnstable Town Council President Paul Hebert, and Korean Consul General Yonghyon Kim.*

Massachusetts Pauses All Indoor Ice Rink and Ice Skating Facilities Operations for Two Weeks through November 7th

Massachusetts to temporarily pause all indoor ice rink and ice skating facilities operations for two weeks Effective October 23 through November 7, 2020, this pause will allow for the development of enhanced COVID-19 protocols to further protect players, families, and coaches. There have been at least 30 clusters of COVID-19 associated with organized ice hockey activities involving residents from more than 60 municipalities in Massachusetts. Each of these includes two or more confirmed or probable COVID-19 cases, totaling 108 confirmed cases. This pause will allow for the development of stronger COVID-19 protocols to further protect players, families, coaches, arena staff and other participants, as well as communities surrounding hockey rinks. More information can be found [here](#).

Hyannis Main Street Barriers to be Removed November 17th

Last Day of Outdoor Business in the extended areas is November 15th

In response to the cooler temperatures and other off-season transitions, the Town of Barnstable is removing the concrete barriers installed on Hyannis Main Street. The barriers were placed to create additional space for pedestrians and outdoor business use and to promote public health and safety in response to the COVID-19 health crisis. The last day of outdoor business use will be Sunday, November 15th. Businesses will have all day on the 16th and until 5pm on the 17th to remove any items or installations that have been placed between the barriers and the sidewalk. Barriers will be removed starting on the night of Tuesday, November 17th and work will continue at night until all barriers are removed. Restaurants that had outdoor dining areas prior to the COVID-19 State of Emergency may revert to using the previously permitted footprints; social distancing requirements established by the Commonwealth of Massachusetts continue to apply. All temporary licenses issued in 2020 to businesses to use Town property will expire on Sunday, November 15th. The Town of Barnstable was proud to support business on Hyannis Main Street this summer and received overwhelmingly positive feedback from merchants and visitors in response to the modifications made to the street. The Town will evaluate the reinstallation of the barriers in the spring, and welcomes feedback from residents and merchants. The decision to remove the barriers in November was driven by feedback from businesses that the use of outdoor dining areas is limited by the cold temperatures and the desire to have ample, convenient parking for shoppers during the holiday season. The Town also needs the ability to promptly and safely respond should we get a snow event that requires plowing. We would like to recognize the tremendous efforts from so many Town of Barnstable employees who worked to make this project a success including Departments and Divisions of Public Works, Licensing, Health, Asset Management, Legal, Planning & Development, and the Barnstable Police Department and Hyannis Fire Department. We also thank the Hyannis Main Street Business Improvement District for their contribution to the effort. The Town of Barnstable encourages everyone to stay the course and keep physical distance, wear a mask/face covering whenever in public, wash hands and frequently touched surfaces, avoid crowds, and choose outdoor activities over indoor ones when possible.

Town of Barnstable Community Development Block Grant Program (CDBG) Notice of Document Availability, Public Meeting and Comment Period

The Town of Barnstable has completed the 2019 program year for the Community Development Block Grant program and is preparing Consolidated Annual Performance Evaluation Report (CAPER) for the period July 1, 2019-June 30, 2020. The Town was awarded \$278,102 in federal funds from the U.S. Department of Housing and Urban Development (HUD) to address the goals and objectives of the Town of Barnstable Consolidated Plan for 2015-2019. The CAPER is a year-end report that outlines the accomplishments of the Town's CDBG program and is available for review and comment before the Town submits it to HUD for approval.

DOCUMENT AVAILABILITY

The Draft CAPER has been available for review as of **October 9, 2020** on the Town website: <https://www.townofbarnstable.us/departments/cdbg> or by contacting Kathleen Girouard at kathleen.girouard@town.barnstable.ma.us or 508-862-4678.

PUBLIC COMMENT PERIOD

Written comments received on or before 4pm on October 28, 2020 will be included in the final submission to HUD. Please email comments to Kathleen Girouard kathleen.girouard@town.barnstable.ma.us with "**CDBG Comments**" in the subject line please.

Time to Renew Your Burglar Alarm Registration with the Barnstable Police Department

All burglar alarm registrations within the Town of Barnstable will expire on **December 31, 2020**. If you own a house or business in the Town of Barnstable that is equipped with an active burglar alarm, monitored or non-monitored, you need to renew your Alarm Registration and get your 2021/2022 decal. Please complete a 2021/2022 Alarm Registration form and submit with a \$25.00 registration fee. **Electronic registration and payment is now available at www.barnstablepolice.com!** Renewal forms are still available to be downloaded on our website (above) and are available at any time in the front lobby of the Barnstable Police Department and can be mailed or delivered to:

Barnstable Police Department
1200 Phinney's Lane
Hyannis, MA 02601

Due to Covid-19, we are trying to limit the amount of people that come up to the Records Department. If you are picking up or dropping off a registration form, please obtain a form from the front lobby and drop completed forms off in the alarm bin which is also located in the front lobby.

Please renew by the expiration date (December 31, 2020) to avoid costly late fees and unregistered alarm fines. Please familiarize yourself with the regulations by visiting our website (see above). If you have any questions regarding the renewal please call 508-778-3824 or email alarmadmin@barnstablepolice.com. Thank you for your continued assistance and diligence in reducing false alarms in our Town!

FRIENDLY REMINDER: Small Vessels Stored on Town Land Must Be Removed by November 15th

Friendly reminder to all small vessel decal owners who store vessels on town land. Small vessels stored on Town land must be removed by November 15, 2020. Failure to remove vessels from town land may result in the Harbormasters office removing the vessels at the owner's expense. If you have questions or need additional information please contact the Harbormaster's office at 508-790-6273. Please do your part and help keep our Town beaches and landings clean by removing any trash or debris when removing your vessels. Thank you!

Notice of a Public Hearing - Project File No. 607398

Live through TODAY October 23, 2020

A Virtual Design Public Hearing will be published on the MassDOT website below to present the design for the proposed Barnstable – Yarmouth Cape Cod Rail Trail (Phase III) project in Barnstable and Yarmouth, MA.

PURPOSE: The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Barnstable – Yarmouth Cape Cod Rail Trail (Phase III) project. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

PROPOSAL: This project proposes to extend the CCRT through Yarmouth and into a portion of Barnstable, to a new trail head on Mary Dunn Road in the Town of Barnstable. The route of the CCRT Phase III will follow a combination of an existing shared-use path and a newly constructed shared-use path. Bicycle accommodations consisting of a 10' bicycle lane have been provided in accordance with applicable design guides. A secure right-of-way is necessary for this project. Acquisitions in fee and permanent or temporary easements may be required. The Towns of Barnstable and Yarmouth are responsible for acquiring all needed rights in private or public lands. MassDOT's policy concerning land acquisitions will be presented in the hearing.

Written statements and other exhibits regarding the proposed undertaking are to be submitted to Patricia A. Leavenworth, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: Project Management, Project File No. 607398. Mailed statements and exhibits intended for inclusion in the public hearing/meeting transcript must be postmarked no later than ten (10) business days after the hearing is posted to the MassDOT website listed below. Project inquiries may be emailed to dot.feedback.highway@state.ma.us. This hearing is accessible to people with disabilities. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request (e.g. interpreters in American Sign Language and languages other than English, live captioning, videos, assistive listening devices and alternate material formats), as available. For accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), TTD/TTY at (857) 266-0603, fax (857) 368-0602 or by email (MassDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the hearing. More information on this Virtual Design Public Hearing can be found [here](#).

MassDOT Notice of Barnstable - Design Public Hearing

Webinar publication date: October 26, 2020

Comment period: October 26 - November 9

Overview of Barnstable - Design Public Hearing webinar and comment period

A Virtual Design Public Hearing consisting of a pre-recorded video presentation will be published on the MassDOT website below to present the design for the proposed Barse's Way Shared Use Path project in Barnstable, MA.

Purpose: The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Barnstable – Barse's Way Shared Use Path project. All views and

comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

Proposal: This project proposes to construct a shared use path along the west side of Bearse's Way from the intersection of Bearse's Way at Route 28 to the intersection of Bearse's Way at Pitcher's Way in the Town of Barnstable. The proposed shared use path will provide a connection between existing shared use paths on the north and south. The shared use path will accommodate pedestrian, bicycle, and other non-motorized transportation/recreation. The project will include associated utility improvements along the path and roadway. A secure right-of-way is necessary for this project. Acquisitions in fee and permanent or temporary easements may be required. The Town of Barnstable is responsible for acquiring all needed rights in private or public lands. MassDOT's policy concerning land acquisitions will be presented in the hearing.

Written statements and other exhibits regarding the proposed undertaking are to be submitted to Patricia A. Leavenworth, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: Project Management, Project File No. 609067. Mailed statements and exhibits intended for inclusion in the public hearing/meeting transcript must be postmarked no later than ten (10) business days after the hearing is posted to the MassDOT website listed below. Project inquiries may be emailed to dot.feedback.highway@state.ma.us.

This meeting is accessible to people with disabilities. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request (e.g. interpreters in American Sign Language and languages other than English, live captioning, videos, assistive listening devices and alternate material formats), as available. Hearing webinar or cancellation announcements will be posted on this website.

Tips for a Safe and Healthy Halloween During COVID-19

Residents and communities should follow safe and healthy tips to participate in Halloween activities that may limit the risk of exposure to COVID-19. As a reminder, any Halloween activities are subject to the current state [gathering size limits](#) as well as applicable [sector-specific workplace safety standards](#). Consistent with the [Halloween activity guidance released by the Centers for Disease Control and Prevention](#), some things to keep in mind in celebrating Halloween this year include:

- Enjoy Halloween **outside** rather than attending indoor events.
- Place candy on a platter instead of a bowl
- Instead of traditional trick or treating, opt for one-way trick-or-treating, with treats placed outside of the home for trick-or-treaters as a "grab and go" while keeping distance from others.
- Consider leaving hand sanitizer by any treats left out for trick-or-treaters to use.
- Wear a face mask or face covering. For more information on face masks and face coverings, please see the state's [Mask Up MA](#) webpage.

- A costume mask is not a substitute for a face mask or face covering. To protect yourself and others, ensure you are wearing a protective face mask or covering instead of or in addition to a costume mask.
- Observe good hand hygiene, including hand washing and use of alcohol-based sanitizers with at least 60% alcohol. Carry hand sanitizer and use it often, especially after coming into contact with frequently touched surfaces and before eating candy.
- Refrain from touching your face.
- Decorate your yard for others to enjoy from their car or while on a socially-distanced walk.
- Hold virtual costume contests or pumpkin carving events.
- Celebrate with members of your household with a Halloween-themed meal, Halloween movie night, or by preparing a Halloween scavenger hunt.
- Maintain social distancing of at least 6 feet of physical distance from all other participants who are not members of the same household.
- Avoid:
 - Attending crowded costume parties held indoors, or any gatherings that exceed indoor or outdoor gathering limits;
 - Going to an indoor haunted house where people may be crowded together and screaming; and
 - Going on hayrides or tractor rides with people who are not in your household.
 - Indoor haunted houses; and
 - Hayrides or tractor rides with people who are not in your household.
 - Stay home and refrain from Halloween activities, including handing out Halloween treats, if:
 - you feel unwell;
 - you have tested positive for COVID-19;
 - you have been exposed to someone with COVID-19; or
 - you have traveled to or from a state that is not classified as lower risk within the last 14 days. For more information on lower risk states, please see the state's COVID-19 [Travel Order](#) webpage.

Barnstable/Hyannis Transformative Development Initiative Small Business Relief and Recovery Grant Program, Round 2 Opens Monday, October 26th

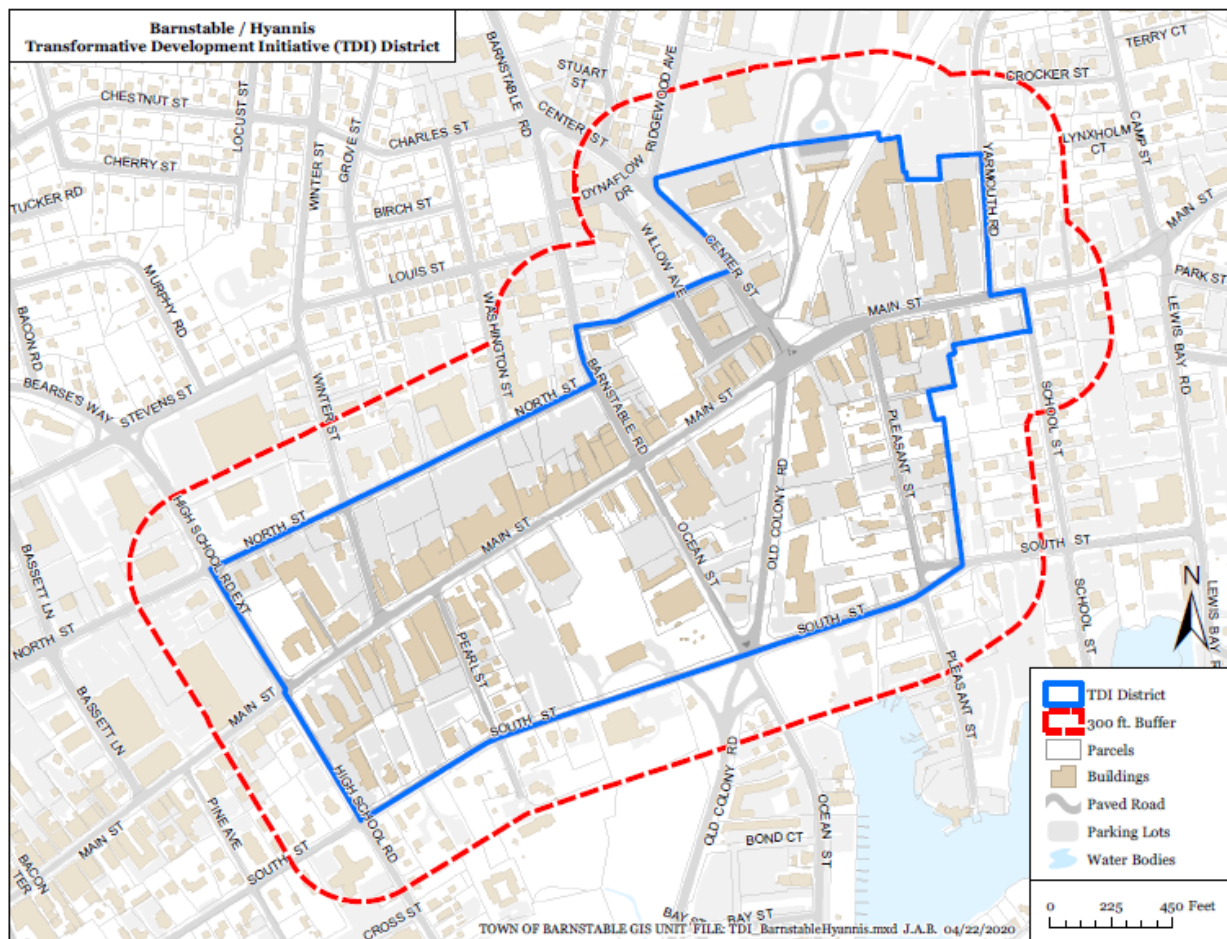

The Town of Barnstable, together with MassDevelopment and the Downtown Hyannis Community Development Corporation, is happy to announce the availability of a **second round of grants of up to \$8,000 each** for storefront businesses and cultural non-profits in Hyannis' East End. This grant round will provide a limited number of grants of up to \$8,000 each to assist storefront businesses and cultural non-profits located in Hyannis' East End TDI District and within 300 feet thereof, as shown in the map below. These grants will provide flexible funding in an effort to support small businesses and cultural institutions in the downtown that continue to be impacted by COVID-19 public health requirements and restrictions. The total program budget is \$30,000. Program guidelines and the online application for funding are available at:

www.town.barnstable.ma.us/Departments/economicdevelopment

www.BusinessBarnstable.com

Completed applications must be submitted by 11:59 pm on November 5, 2020.

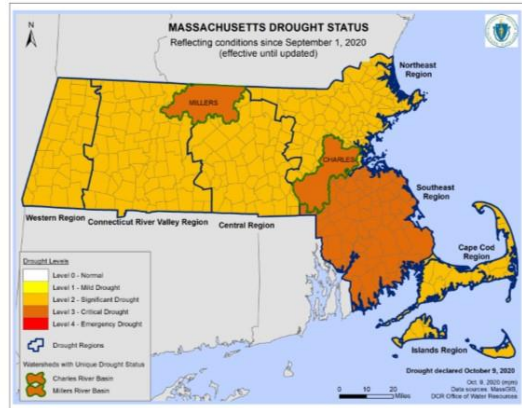

The Town of Barnstable and MassDevelopment established a partnership through the Transformative Development Initiative (TDI) program in 2019 to promote economic growth in Hyannis' East End. The TDI program for Gateway Cities is designed to accelerate economic growth within focused districts. The program works with cross-sector partnerships to engage community members, implement local economic development initiatives, and spur further public and private investment. For more information, please contact Gloria McPherson, Planning & Economic Development Coordinator at gloria.mcpherson@town.barnstable.ma.us.

Barnstable Remains at Level 2 Drought Status

MASSACHUSETTS DROUGHT ALERT

October 16, 2020

Secretary of Energy and Environmental Affairs:
Kathleen A. Theoharides

Director of MEMA:
Samantha C. Phillips

DROUGHT STATUS

Currently, the Massachusetts Executive Office of Energy and Environmental Affairs has declared a **Level 3 – Critical Drought** in the Southeast Region of the Commonwealth and in the Millers and Charles River watersheds. The other six regions across the state — the Western, Connecticut River Valley, Central, Northeast, Cape Cod, and Islands regions— remain at a **Level 2 – Significant Drought**.

CURRENT CONDITIONS

Due to over five months of below normal rainfall and above normal temperatures, streamflow has deteriorated in many locations with some record low flows, and groundwater is starting to see below normal conditions in many regions.

Extended drought conditions have rendered grasses, shrubs and forest fuels very dry across most of the state, leading to high risk of wildland and brush fires.

MEMA Offers Resource of Testing Site Map

The Massachusetts Emergency Management Agency is a great resource for COVID-19 testing locations with its [COVID-19 Test Site Locator](#). The map provides an easy way to locate a COVID-19 test site near you. All of those experiencing symptoms or those who have been in close contact recently with a COVID positive individual should seek testing. There are different filters you can choose, such as free testing for residents, test children, referral not required, drive thru services, etc.

Public Health Division - Influenza Vaccination Clinics

Next flu clinic Wednesday, November 4th 3:00-5:00 PM

Drive-thru ONLY at St. George Greek Orthodox Church Route 28, Centerville.

These clinics are open to Town of Barnstable residents only (open to Centerville, Osterville, Hyannis, West Barnstable, Cotuit, Marstons Mills, and Barnstable Village residents).

Please print-out and complete the consent form before arriving to reduce waiting times.

The Town of Barnstable does NOT have the high dosage

vaccine for Seniors. This year, we offer the quadrivalent flu vaccine. The quadrivalent influenza (flu) vaccine is designed to protect against four different flu viruses, including two influenza A viruses and two influenza B viruses. For many years, flu vaccines were designed to protect against three different flu viruses (trivalent vaccines). Trivalent vaccines protect against an influenza A(H1N1) virus, an influenza A(H3N2) virus and one influenza B virus, even though there are two different lineages of B viruses that both circulate during most seasons. Adding another B virus to the vaccine aims to give broader protection against circulating flu viruses. Farm to Families Food Distribution by the Massachusetts Military Support Foundation Hosted by Cape Cod Community College – **Saturday, October 24th from 9:00 AM-1:00 PM**

Cape Cod Community College will be the site of weekly Farm to Families food distribution events throughout the month of October. The Farm to Families program is one of the US Department of Agriculture's community grant offerings throughout the country. Volunteers with the Nicholas G Xiahros Foundation and The Family Table Collaborative (an initiative with the Cape Cod Culinary Incubator and the Cape Cod chapter of the American Culinary Federation.) The food is being distributed by Massachusetts Military Support Foundation to feed families across the Cape. Each family will receive a 35 pound box of groceries including cheese, produce, milk and meats. The food is provided at no cost to families in the area.

Saturday, October 24th, we'll be distributing 1050 cases from the USDA Farmers to Families program grant, in partnership with Don Cox and the Massachusetts Military Support Foundation. The distribution will take place at Cape Cod Community College from 9:00 AM-1:00 PM.

Please note:

- No one will be allowed to line up before 8:00 AM
- One box of food per vehicle
- Follow the Food line if you're picking up a box of the food
- Please be patient. The lines will be long, but we will do our best to move it quickly

- Once in the queue in Lot 12, please pop your trunk so we can put the food in easier. Please do not exit your vehicle.
- Follow the Campus line if you're volunteering (you will have your temperature taken upon arrival, will have to be masked the entire time on campus, will park in Lot 11 and walk to Lot 12), you must sign in upon arrival

It takes a village, so if you'd like to volunteer, please contact Jeni at jenimwheeler@gmail.com.

Meals for Barnstable Public School Students

Barnstable Public Schools is providing FREE breakfast and lunch for any student free of charge. (No ID is required). All children are welcome regardless of town of residence or school attended. All meals will be offered in compliance with USDA standards and will be a "Grab and Go" option. We will be providing both breakfast and lunch at the same time. Students are encouraged to take one breakfast and one lunch. **NOTE:** Fridays we will be handing out 3 breakfast and 3 lunches to each student for the weekend. **All schools will have grab and go breakfast and lunch set-up outside from 11:30 AM-12:30 PM. This will be available until the end of the year. This is free to all students in Barnstable. We must stress the importance of social distancing during meal pick up.** You can just drive up and we will bring the meals to you. Please do not congregate at meal sites, and please remain 6 feet from those around you at meal pick up. Our BPS educators and staff are also leading efforts to collect non-perishable food items, and we will begin distributing those items at meal sites as well.

Free Grocery Delivery Service for Barnstable County Seniors and Residents at Higher Risk

The [Cape Cod Medical Reserve Corps' Delivery Service](#) will help people who should stay home receive groceries and critical household goods.

See a list of participating grocery stores with pre-ordering and curbside pickup options [here](#). Slowing the spread of COVID-19 is essential for "flattening the curve" of infections, which will curb the outbreak, prevent hospitals from getting overwhelmed with patients seeking treatment, and ultimately reduce the number of deaths. For current information on the novel coronavirus outbreak (COVID-19), please visit the Barnstable County Department of Health and Environment's website: barnstablecountyhealth.org. News from the Barnstable Council on Aging

Medicare Open Enrollment through December 7th

Now is the time to review your current Medicare plan options. A quick review could save you money in 2021. Medicare's Part C (Medicare Advantage Plan) and Part D (Prescription Drug Plan) Annual Open Enrollment begins October 15th and ends December 7th. Please make sure you review your 2021 Medicare options during this time period so that you have the most cost-effective plan for 2021. SHINE Counselors can help you understand your plan's changes, screen you for assistance programs and discuss other options you may have. If you do not change your plan during this period you may have to stay with your existing plan for another whole year. This year all SHINE appointments will be conducted online or via phone. The BACC is now scheduling appointments for Open Enrollment on. Please call (508)862-4762 to schedule an appointment.

Town of Barnstable Economic Recovery Planning

Town of Barnstable staff are working to help our businesses reopen successfully, recover from this crisis, and move towards a strong and prosperous future. We are listening to and working with our businesses, residents, the Economic Development Task Force (a Town Council presidential subcommittee), the Hyannis Main Street Business Improvement District, and other community partners on developing an [Economic Recovery Plan](#), with an initial focus on promoting the safe and successful reopening of businesses when allowed by the Governor. We are looking at ways the Town can support our local businesses, while promoting public health and safety. If there are ways we can help you succeed in the coming days, months, and in the long-term, please reach out and share your suggestions

with us. Submit your suggestions on the [Economic Recovery Plan website](#). Additionally, we encourage our businesses to take the [Cape Cod Commission's online survey](#) for Cape Cod business owners. The survey is being conducted to better understand the current and anticipated economic impacts of COVID-19. Data collected through this survey will be used to support economic recovery now and in the coming weeks and months, and can be leveraged by businesses, towns, and other organizations in future grant applications and reports.

ROAD WORK UPDATES

As always please slow down and use extreme caution when traveling through the road construction areas and follow posted safety and detour signs.

***NEW* National Grid New Customer Hookups**

Tuesday, October 27, 2020 through Friday, October 30, 2020 Neuco crews will install gas service on Cammett Way, Marstons Mills. Typical natural gas service installation includes marking out underground utilities within the project area, excavation of the street, laying gas main, relaying customer's individual gas service and connecting those services to the main and installing meters. This project should take about five days to complete. Visit ngrid.com/service line to view a YouTube video explaining the replacement of the service pipe to customer homes. Operations will start promptly at 7:00 AM and run until 3:00 PM. Reduce speed, and use caution. All scheduled work is dependent on weather and/or may be impacted due to an emergency situation.

***CONTINUES* Drainage & Pavement Improvements on Huckins Neck Road in Centerville/Barnstable Village**

Pavement improvements on Huckins Neck Road in Centerville and Barnstable Village will continue through November 20, 2020. The work includes installation of new drainage systems, repairs to existing drainage systems, milling of the existing pavement, and adjustment of drainage structure castings, overlay with new pavement and restoration of any areas disturbed during construction. Normal work hours will be between 7:00 AM to 5:00 PM, Monday through Friday. Through traffic will be maintained throughout construction. Any lane closures will be supported with police details to direct traffic. Motorists are advised to seek alternate routes to avoid the construction work.

***CONTINUES* National Grid Service Road** National Grid will be installing a new gas main on Service Road in Barnstable. Work will be performed during the day, Monday through Friday from 6:00 AM to 6:00 PM. Service Road will remain open with one-lane of traffic. Police details/ flaggers will be used as needed. Gas Line installation is anticipated to be complete in October, with testing being completed through November 2020. Final re-paving of Service Road is anticipated to be completed in spring 2021.

***CONTINUES* Bumps River Bridge Repairs on South Main Street in Centerville/Main Street in Osterville**

Construction is scheduled to start in October 2020 and to end in May 2021. Normal work hours are 7:00 AM to 3:30 PM, Monday through Friday, except work under the bridge may also occur during nights and weekends. Work will include repairing bridge piles and cross bracing, as well as repairing and re-surfacing the bridge deck. During active construction there may be lane closures with signs, cones/construction barrels, and police details or flaggers if necessary to direct traffic past the work zone.

***CONTINUES* Sewer Installation on Portions of Kidd's Hill Road, Merchants Way, and Business Lane in Barnstable Village**

Construction is expected to end in October 2020. Normal work hours are 7:00 AM to 3:30 PM, Monday through Friday. Remaining work includes applying centerline and edge lines on Kidd's Hill Road where recently resurfaced, from Wilkens Lane to a

point about 400 feet north of Merchants Way. During active construction there may be lane closures with signs, cones/construction barrels, and police details or flaggers if necessary to direct traffic past the work zones.

***CONTINUES* Sidewalk, Traffic Signal, Water Distribution, and Associated Improvements on Independence Drive in Hyannis and Barnstable Village, and on Portions of Mary Dunn Road, Kidd’s Hill Road, and Attucks Lane in Barnstable Village**

Construction is scheduled to end in May 2021. Normal work hours are 7:00 AM to 3:30 PM, Monday through Friday. Work will include a new sidewalk and additional drainage systems the full length of Independence Drive, on Mary Dunn Road a short distance south of Independence Drive, on Kidd’s Hill Road from Independence Drive to Merchants Way, and on Attucks Lane from Independence Drive to Wilkens Lane. The work will also include a new traffic signal system at the intersection of Attucks Lane & Wilkens Lane; a watermain extension on portions of Attucks Lane and Independence Drive; and additional street lights on portions of Independence Drive and Kidd’s Hill Road. During active construction there will be lane closures with signs, cones/construction barrels, and police details or flaggers if necessary to direct traffic past the work zones.

***CONTINUES* Roadway Improvements on Portions of Main Street (Route 6A) and Mill Way in Barnstable Village**

Construction is scheduled to continue through the fall. Normal work hours are 7:00 AM to 3:30 PM, Monday through Friday. Remaining work includes utility line transfers and pole removals in a few locations (by utility companies); constructing a sidewalk from Main Street to the County Complex parking lot east end; installing street lights; refurbishing traffic signals; and other associated work. During active construction there will be lane closures or temporary detours with signs and police details or flaggers to direct traffic past or around the work zones.

***CONTINUES* Survey and Map five of the Phase 1 Sewer Expansion Projects**

As the first step in a multi-year planning and design effort, the Barnstable Department of Public Works has contracted with multiple land surveying firms to survey and map five of the Phase 1 Sewer Expansion Projects identified in the Town’s Comprehensive Wastewater Management Plan. The projects include the mapping of dozens of roadways, including many residential areas for the following Phase 1 projects:

- Phinney’s Lane Sewer Expansion Project which includes Phinney’s Lane from Route 132 to Route 28 including residential roads to the east and west of Phinney’s Lane
- Long Pond Area Sewer Expansion Project which includes all roadways between Old Stage Road /Park Avenue (western limits) and Strawberry Hill Road (eastern limits) and including the residential areas on the north and south side of Pine Street
- Route 28 East Sewer Expansion Project which includes Route 28 from the Water Pollution Control Facility property to Phinney’s Lane
- Route 28 Centerville Sewer Expansion Project which includes Route 28 from Phinney’s Lane to East Osterville Road and includes East Osterville Road and Old East Osterville Road
- Route 28 Marstons Mills Sewer Expansion Project which includes Route 28 from East Osterville Road to Old Post Road

Citizens can expect survey field crews to be working within the project areas at various times throughout the summer and fall. In the coming weeks, property owners within the project areas will be receiving notifications from the survey consultants which provide further detail on the survey project. Citizens are encouraged to review the Town’s Comprehensive Wastewater Management Plan which is available on the Town’s website at: https://townofbarnstable.us/WaterResources/CWMP_Final.asp any questions regarding this survey effort, or the Town’s Comprehensive Wastewater Management Plan, should be directed to the Barnstable Department of Public Works at 508-790-6400.

Are You on the Town's Emergency Notification System?

The Barnstable Police Department has an emergency notification system. This system has been used to provide information during the ongoing COVID-19 event and for the recent COMM Water District issue. Did you know that only landlines are part of the federal and state Reverse 911 system and you must register cell phones which are not public records? Make sure you are on our list. Sign up [here](#) today. **What is CodeRED and why is it important to me?** CodeRED is an emergency notification service by which town officials can notify Barnstable residents and businesses by telephone, cellular phone, text message, or electronic mail about time-sensitive emergency situations or important community alerts. The system is capable of sending messages only to specific neighborhoods or the entire town. Only authorized officials are allowed access to use the system. Frequently asked questions can be reviewed [here](#). Be sure to take a moment to learn more about this important notification system.
