September 11, 2020 Color-Coded Guide:

New

Updated

Same as previous week(s)

Beach Water Quality Updates can be found on the [Town of Barnstable's website](#).

Stay Informed with www.BarnstableHealth.com

The Town of Barnstable has launched a new resource (www.barnstablehealth.com) on March 16, 2020 to keep you up-to-date with the latest information as it relates to reducing the spread of COVID-19 and the working of Barnstable Town government. Visit and bookmark www.barnstablehealth.com.

Town Manager Mark Ells' Community Update

Town Manager Mark Ells continues to provide updates through Channel 18 to keep people informed with accurate information about what is going on in the Town of Barnstable. [Mr. Ells' latest Community Update](#) provides information about our personal responsibility as schools reopen this week, Town services, and the importance of following the rules at Sandy Neck Beach Park and elsewhere in Town. This week's update includes a new Barnstable Public Schools Reopening Update (We're Almost There) from Dr. Meg Mayo-Brown, Barnstable Public Schools Superintendent, which includes: Classroom Educator Assignments; First Day of School, Wednesday, September 16; Standard Operating Procedures (SOPs); Kindergarten Start Date; Transportation; YMCA LEAVES Program; HVAC Reports; School Meals; and Update on County and Town COVID tests. Thank you for remaining diligent with the protocols that will keep you, your family, and community safe. You are encouraged to visit the state's website for more information regarding [Governor Baker's 4-Phase Reopening Plan](#). The Town of Barnstable continues to assist businesses with economic recovery. Past episodes of Town Manager Mark Ells' Community Updates can be viewed [here](#).

9/11 Ceremony in Barnstable Village - A Day of Remembrance Barnstable Village

The traditional ceremony took place on Friday, September 11th at the Barnstable Fire Station, 3249 Main Street, Barnstable Village at 9:55 AM. The ceremony included music by Marc Howard, reflections by Barnstable Fire Chief Frank Pulsifer and The Rev. Dr. Libby Gibson Catania. The featured speaker was Massachusetts State Police Colonel Christopher Mason. This marks the twelfth year that St. Mary's Episcopal Church and the Barnstable Fire Department have teamed up to provide a moving ceremony to honor those lost and injured on 9/11/2001. The 9:55 AM ceremony was **live streamed on the [Town of Barnstable's Channel 18 Facebook page](#)**. Due to COVID restrictions, attendance was limited. At 4:30 PM the Annual Day of Remembrance Service will begin; however, it will be a little different this year. The solemn procession to St. Mary's Church will not occur, but there will still be a virtual service program that will be provided by St. Mary's and many community members. It will be live streamed on St. Mary's Facebook page at <https://www.facebook.com/Saint-Marys-Episcopal-Church-145029095524536>. The virtual service will be led by Rev. Dr. Libby Gibson Catania and feature music directed by Dr. Mark Lawlor, Dave Knauer on bagpipes, and special prayers and readings will be read. Cape Cod Cub Scouts Pack 54 will lead the Pledge of Allegiance. The Rev. Stephen Harding is the featured keynote speaker. He was the Protestant chaplain for the New York City Fire Department and served as Disaster Coordinator for the Episcopal Diocese of New York. This Day of Remembrance service will be honoring the First Responders of 9/11 and now, those fighting the pandemic.

Household Hazardous Waste Collection - Saturday, September 12, 2020

The Town of Barnstable Department of Public Works Solid Waste Division in collaboration with Barnstable County is holding a Household Hazardous Waste Collection Saturday, September 12, 2020 at the Transfer Station located at 45 Flint Street Marstons Mills. Participants must have a current Full Transfer Station Sticker. Without a current sticker, participants must show proof of year round residency or residential property ownership in the Town of Barnstable to participate in the collection and pay a \$10.00 per visit fee. The hours of the Hazardous Waste Collection are 9:00 am – 12:00 pm. Stickers are available at the office by appointment, by mail or online. For questions, call P.J. Kelliher at 508-420-2258, or refer to the [Town's Website](#) or to the County's website for Household Hazardous Waste at www.loveyourlocalwater.org.

Level 2 Drought Status Declared for All Seven Regions of State

Due to above normal temperatures throughout July and early August and more than three months of below normal rainfall, Energy and Environmental Affairs (EEA) Secretary Kathleen Theoharides declared a Level 2 – Significant Drought in all seven regions of the Commonwealth – the Western, Connecticut River Valley, Central, Northeast, Southeast, Cape Cod, and Islands regions. *The significance of the drought levels, and the drought regions as classified by EEA, can be found in the attached Massachusetts Drought Management Plan.* At a Level 2 – Significant Drought, as outlined in the Massachusetts Drought Management Plan, conditions are becoming significantly dry and warrant detailed monitoring of drought conditions, close coordination among state and federal agencies, emphasis on water conservation, more stringent watering restrictions, and technical outreach and assistance for the affected municipalities. **Temperatures remain well above normal**, as the Commonwealth recorded the second hottest July on record last month. Rainfall was scattered across the state with only a few areas receiving above normal precipitation; most areas were in a deficit by 1 to 3 inches. Meanwhile, temperatures throughout the first two weeks of August were 2 to 4 degrees above normal throughout Massachusetts, with warmer than normal temperatures predicted in the coming weeks and months.

While most regions of the Commonwealth are experiencing a classic long-term drought, the Southeast, Cape Cod, and Islands regions are experiencing conditions akin to a 'flash drought' which is a rapid onset drought with decreased precipitation, above normal temperatures, and incoming radiation resulting in abnormally high evapotranspiration all combining to increase fire danger and decrease crop moisture levels. **Wildland fire risk continues across the state.** Extended drought conditions have rendered grasses, shrubs and forest fuels very dry across most of the state, and extremely dry in areas of the Southeast, resulting in increased wildfire risk and added challenges for firefighting agencies. Long term precipitation deficits have also led to extremely dry soil conditions, which results in fires burning deep into the ground, and taking multiple days to extinguish. These conditions exhaust local resources and increase risk to firefighter safety.

TIPS FOR SAVING WATER
When in Drought or Not – Please Do Your Part!

1 LIMIT LAWN WATERING, ESPECIALLY DURING A DROUGHT¹
Lawns naturally go dormant during dry conditions. They'll revive when conditions improve.

- If you are in a region at Drought Level 3, **Critical Drought** (Severe Drought Conditions) or Drought Level 4, **Emergency Drought**: Do not water your lawn.
- If you are in a region at Drought Level 2, **Significant Drought** (Moderate to Severe Drought): Limit watering to hand-held only or drip irrigation. Water after 5PM or before 9AM to avoid evaporative losses.
- If you are in a region at Drought Level 1, **Mild Drought** (Abnormally Dry Conditions): Limit watering to 1 day per week at most. Water after 5PM or before 9AM.

2 MINIMIZE LANDSCAPE WATER NEEDS THROUGH WATER-SMART LANDSCAPING PRINCIPLES²

- Maintain healthy soils (a minimum of 6-inches in depth, where possible).
- Choose native plants or plants and turf that need less water.
- Use mulch to reduce evaporation and moderate soil temperature.
- Leave grass clippings on lawn to shade and return nutrients to soil.

3 MINIMIZE YOUR USE OF WATER OUTDOORS

- Sweep driveways, walks, patios, and other outdoor areas with a broom rather than hosing them off.
- Wash vehicles using a bucket and sponge, employing a hose with a shut-off nozzle for rinse only, or, if available, use a commercial car wash that recycles water (most do).
- Cover swimming pools when not in use to prevent evaporation.

1. Certain water uses are not subject to mandatory restrictions, such as water used: for health or safety reasons; for the production of food and fiber; for the maintenance of livestock; to meet the core functions of a business (for example, irrigation by plant nurseries as necessary to maintain stock).
2. Adapted from Water-Smart Landscapes Start with WaterSense (EPA WaterSense)

Make Your Voice Count in the 2020 Federal Census

It's Easy to Complete On-line, Just Click [Here](#)

Only 10 minutes of your time now has a great impact on our community for the next 10 years!

There are just 19 days left to fill out your Census online or over the phone.

The last day to participate in the U.S. 2020 Federal Census is now **September 30, formerly October 31**. This announcement further jeopardizes Congressional representation, redistricting, and critical federal funding for things like education, housing, food programs, and more in the Town of Barnstable during the next 10 years. It could lead to a significant undercount. Only 56.9 percent of Barnstable's households have responded to date. The

census is quick, easy, and important, and all of your answers are confidential. You can respond to the U.S. Census by going online to my2020census.gov, by phone at 844-330-2020, or by mailing

back the paper form delivered to you. Multiple languages are available. Please respond and be counted today. **Currently the self-response rate nationally is 65.6%. Massachusetts has a 68.1% self-response rate; Barnstable County 49.7%; and the Town of Barnstable 56.9%.**

Channel 18 Introduces “Municipal Matters”

First Episode a Deep Dive on Census 2020

With dozens of departments and divisions, the largest school system and police department on Cape Cod and a regional airport and transportation center, the Town of Barnstable is a hub of activity every day. Municipal Matters is a show dedicated to helping residents and visitors stay informed, educated and safe. This first episode is a deep dive on Census 2020 and how [#CapeCodCounts](#) [WATCH NOW](#). **Have an idea for a show?** Send Assistant Station Manager, Paula Hersey an email paula.hersey@town.barnstable.ma.us.

News from the Barnstable Council on Aging

Medicare Open Enrollment Begins October 15th

Now is the time to review your current Medicare plan options. A quick review could save you money in 2021. Medicare’s Part C (Medicare Advantage Plan) and Part D (Prescription Drug Plan) Annual Open Enrollment **begins October 15th and ends December 7th**. Please make sure you review your 2021 Medicare options during this time period so that you have the most cost-effective plan for 2021. SHINE Counselors can help you understand your plan’s changes, screen you for assistance programs and discuss other options you may have. If you do not change your plan during this period you may have to stay with your existing plan for another whole year. This year all SHINE appointments will be conducted online or via phone. **The BACC will start scheduling appointments for Open Enrollment on September 15th. Please call (508)862-4752 to schedule an appointment.**

Savvy Caregiver Program

The Barnstable Council on Aging, in partnership with the Healthy Living Center of Excellence, is pleased to announce a fall session of **The Savvy Caregiver Program. This six session online training is FREE for family and friends who are active caregivers, and caring for those living with Alzheimer’s or related dementias.** The fall session will be held **Thursdays, October 1st – November 5^h from 10:00 AM-Noon.** The facilitator, Stacey Cullen, has been trained and certified to offer this program. For more information, or to register, please call Stacey at (508)862 – 4765 or email stacey.cullen@town.barnstable.ma.us Stacey will also be hosting a Meet and Greet/Zoom “Tech Talk” on September 24 2020 from 10:00 AM-11:00 AM for participants.

Feeling Lonely? Join our Friendly Phone Line

The most common concern that we are hearing from older adults in the community is **how much most people miss the opportunity to socialize with others. Are you feeling a bit lonely?** While it is still important to be safe and maintain that 6 foot physical distance, there are other ways that we can maintain those important social connections. **Stay Connected!!** Let us know, and a friendly staff member or volunteer will call you once a week for a social phone chat. **Please call Debbie @ (508) 888-4755 or email debbie.mckenna@town.barnstable.ma.us** for more information, or to sign up. There is no need to be bored or lonely – call today!

Massachusetts Department of Transportation – Highway Division

Notice of a Public Hearing - Project File No. 607398

A Virtual Design Public Hearing will be published on the MassDOT website below to present the design for the proposed Barnstable – Yarmouth Cape Cod Rail Trail (Phase III) project in Barnstable and Yarmouth, MA.

WHEN: September 24, 2020

PURPOSE: The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Barnstable – Yarmouth Cape Cod Rail Trail (Phase III) project. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

PROPOSAL: This project proposes to extend the CCRT through Yarmouth and into a portion of Barnstable, to a new trail head on Mary Dunn Road in the Town of Barnstable. The route of the CCRT Phase III will follow a combination of an existing shared-use path and a newly constructed shared-use path. Bicycle accommodations consisting of a 10' bicycle lane have been provided in accordance with applicable design guides. A secure right-of-way is necessary for this project. Acquisitions in fee and permanent or temporary easements may be required. The Towns of Barnstable and Yarmouth are responsible for acquiring all needed rights in private or public lands. MassDOT's policy concerning land acquisitions will be presented in the hearing.

Written statements and other exhibits regarding the proposed undertaking are to be submitted to Patricia A. Leavenworth, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: Project Management, Project File No. 607398. Mailed statements and exhibits intended for inclusion in the public hearing/meeting transcript must be postmarked no later than ten (10) business days after the hearing is posted to the MassDOT website listed below. Project inquiries may be emailed to dot.feedback.highway@state.ma.us. This hearing is accessible to people with disabilities. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request (e.g. interpreters in American Sign Language and languages other than English, live captioning, videos, assistive listening devices and alternate material formats), as available. For accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), TTD/TTY at (857) 266-0603, fax (857) 368-0602 or by email (MassDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the hearing. This Virtual Design Public Hearing or a cancellation announcement will be posted on the internet at www.mass.gov/massdot-highway-design-public-hearings.

JONATHAN GULLIVER, HIGHWAY ADMINISTRATOR

PATRICIA A. LEAVENWORTH, P.E., CHIEF ENGINEER

Are You on the Town's Emergency Notification System?

The Barnstable Police Department has an emergency notification system. This system has been used to provide information during the ongoing COVID-19 event and for the recent COMM Water District issue. Did you know that only landlines are part of the federal and state Reverse 911 system and you must register cell phones which are not public records? Make sure you are on our list. Sign up [here](#) today. **What is CodeRED and why is it important to me?** CodeRED is an emergency notification service by which town officials can notify Barnstable residents and businesses by telephone, cellular phone, text message, or electronic mail about time-sensitive emergency situations or important community alerts. The system is capable of sending messages only to specific neighborhoods or the entire town. Only

authorized officials are allowed access to use the system. Frequently asked questions can be reviewed [here](#). Be sure to take a moment to learn more about this important notification system.

Barnstable Affordable Housing Growth & Development Trust Announces New Notice of Funding Availability (NOFA)

The Barnstable Affordable Housing Growth & Development Trust (the “Trust”) is pleased to announce the issuance of a new Notice of Funding Availability (NOFA), which is being funded by Community Preservation Act (CPA) funds. The available funds are being offered for the creation, preservation, rehabilitation and support of affordable rental and homeownership housing. The Trust will entertain qualified proposals on a rolling application basis beginning August 1, 2020. The Trust will evaluate the success of the program quarterly. The NOFA offers three categories of funding opportunities:

Predevelopment Activities, Development Activities, and Affordable Homeownership Preservation Program. The NOFA and Applications can be accessed at:

<https://townofbarnstable.us/boardscommittees/AffordableHousingGrowth/>

Questions regarding the NOFA or any of its programs shall be directed to Ruth Weil, ruth.weil@town.barnstable.ma.us.

Meals for Any Student in ALL Communities

Barnstable Public Schools is providing FREE breakfast and lunch for any student free of charge. (No ID is required). All children are welcome regardless of town of residence or school attended. All meals will be offered in compliance with USDA standards and will be a “Grab and Go” option. We will be providing both breakfast and lunch at the same time. Students are encouraged to take one breakfast and one lunch.

NOTE: Fridays we will be handing out 3 breakfast and 3 lunches to each student for the weekend.

PICK-UP LOCATIONS:

Monday - Friday from 10:00 AM – 12:00 PM (through September 15th)

- Hyannis West Elementary School
549 West Main Street, Hyannis
- Barnstable Community Innovation School
165 Bearses Way, Hyannis

Starting on September 9th, the Farmers to Families Produce Boxes will be available at the high school on Wednesdays from 10:00 AM-12:00 PM to all families. They can be picked up by the Food Services loading dock in the back of the school near the tennis courts. The program should last at least through September.

Starting on September 16th from 11:30 AM-12:30 PM, all schools will have grab and go breakfast and lunch set-up outside. This will be available until the end of the year. This is free to all students in Barnstable.

We must stress the importance of social distancing during meal pick up. You can just drive up and we will bring the meals to you. Please do not congregate at meal sites, and please remain 6 feet from those around you at meal pick up. Our BPS educators and staff are also leading efforts to collect non-perishable food items, and we will begin distributing those items at meal sites as well.

Free Grocery Delivery Service for Barnstable County Seniors and Residents at Higher Risk

The [Cape Cod Medical Reserve Corps' Delivery Service](#) will help people who should stay home receive groceries and critical household goods.

See a list of participating grocery stores with pre-ordering and curbside pickup options [here](#). Slowing the spread of COVID-19 is essential for “flattening the curve” of infections, which will curb the outbreak, prevent hospitals from getting overwhelmed with patients seeking treatment, and ultimately reduce the number of deaths. For current information on the novel coronavirus outbreak (COVID-19), please visit the Barnstable County Department of Health and Environment’s website: barnstablecountyhealth.org. If you have questions or concerns, please email COVID-19@barnstablecounty.org.

Town of Barnstable Economic Recovery Planning

Town of Barnstable staff are working to help our businesses reopen successfully, recover from this crisis, and move towards a strong and prosperous future. We are listening to and working with our businesses, residents, the Economic Development Task Force (a Town Council presidential subcommittee), the Hyannis Main Street Business Improvement District, and other community partners on developing an [Economic Recovery Plan](#), with an initial focus on promoting the safe and successful reopening of businesses when allowed by the Governor. We are looking at ways the Town can support our local businesses, while promoting public health and safety. If there are ways we can help you

succeed in the coming days, months, and in the long-term, please reach out and share your suggestions with us. Submit your suggestions on the [Economic Recovery Plan website](#). Additionally, we encourage our businesses to take the [Cape Cod Commission's online survey](#) for Cape Cod business owners. The survey is being conducted to better understand the current and anticipated economic impacts of COVID-19. Data collected through this survey will be used to support economic recovery now and in the coming weeks and months, and can be leveraged by businesses, towns, and other organizations in future grant applications and reports.

Dead Neck Sampson's Island Dredging & Beach Nourishment Project – Phase 3

The Town of Barnstable, working with Barnstable County Dredge, will be starting Phase 3 of the Dead Neck Sampson's Island Dredging & Beach Nourishment project on Monday, September 14th. The project includes dredging of approximately 40,000 cubic yards of sand on the west end of the island, which will be re-used onsite for habitat and beach nourishment. Vessels for the transport of Barnstable County Dredge and general contractor employees will be anchored at the Cotuit Town dock for the duration of construction. Dredging operations are anticipated to begin on **September 21, 2020** and anticipated to last through **November 20, 2020**, with beach nourishment activities anticipated to last through **December 30, 2020**. Weather pending, construction/dredging will be on-going, Monday through Saturday from 7:00 AM to 5:00 PM until completion of this phase of the project. Boat operators in Cotuit Bay and the Seapuit River are encouraged to use caution when operating in this area during dredging and nourishment operations.

ROAD WORK UPDATES

As always please slow down and use extreme caution when traveling through the road construction areas and follow posted safety and detour signs.

***NEW* Geotechnical boring for the Rte. 28 East Sewer**

Expansion Project The Town of Barnstable's design consultant (Weston & Sampson) will be completing geotechnical borings for the proposed Rte. 28 East Sewer Expansion Project starting on September 14th. Work will include approximately thirty-one (31) soil borings within the State Highway Layout of Route 28 (Falmouth Road) in Barnstable, MA, between the intersection with Phinney's Lane and just east of the intersection with Pitchers Way. The traffic flow will be maintained throughout the drilling, including proper signage. It is envisioned that the soil boring work within Route 28 will take up to two (2) weeks.

***CONTINUES* Pipe Installation, Hinckley Road from Falmouth Road to Route 132 National Grid**

Work for installation of a new gas main in Hinckley Road in Hyannis will restart on September 15th. The project includes installation of new 10" gas main from Falmouth Road to a regulator pit within Hinckley Road and a 12" gas main from the regulator pit to a tie-in in Route 132. Work will be performed during the day, Monday through Friday from 7:00 AM to 4:30 PM. Hinckley Road will be closed to through traffic. Night work in Route 132 will take place on Thursday, September 17th for one night. This work will take place from 6:00 PM to 7:00 AM. Gas line installation is anticipated to be completed by October with final restoration to be done in spring 2021.

***CONTINUES* National Grid Service Road** Construction restarted on September 8, 2020 following the summer construction moratorium. National Grid will be installing a new gas main on Service Road in Barnstable. Work will be performed during the day, Monday through Friday from 6:00

AM to 6:00 PM. Service Road will remain open with one-lane of traffic. Police details/ flaggers will be used as needed. Gas Line installation is anticipated to be complete in October, with testing being completed through November 2020. Final re-paving of Service Road is anticipated to be completed in spring 2021.

***CONTINUES* MassDOT Schedules Intersection Improvements at Falmouth**

Road (Route 28) at Osterville West Barnstable Road MassDOT Construction operations on the intersection at Falmouth Road (Route 28) at Osterville West Barnstable Road will continue through to April 2021. The road has been redesigned to include exclusive left turn lanes and improve bicycle and pedestrian accommodation as part of the proposed safety improvement work. The work to be done consists of furnishing and installing of new traffic signal equipment at the intersection including emergency vehicle pre-emption system, bicycle and vehicles loop detectors, construction of ADA compliant wheelchair ramps, sidewalks, and driveways, box widening, pavement milling and resurfacing, new pavement markings and signs, drainage improvements, water distribution modifications, existing utility pole relocations, installation of granite curbing, loam and seeding. Work will be performed during the day, Monday through Friday 7:00 AM-3:30 PM. Traffic control will include all required signage, channeling devices for lane shifts and alternating one-way traffic as required. Police details/ flaggers will be used as needed. Visit www.mass511.com, a website which provides real-time traffic and incident advisory information, and allows users to subscribe to text and email alerts for traffic conditions. Follow MassDOT on Twitter @MassDOT to receive regular updates on road and traffic conditions. Download MassDOT's GoTime mobile app and view real-time traffic conditions before setting out on the road.

***CONTINUES* Sewer Installation on Portions of Kidd's Hill Road, Merchants**

Way, and Business Lane in Barnstable Village: Construction is expected to end in October 2020. Normal work hours are 7:00 AM to 3:30 PM, Monday through Friday. Work will involve excavating trenches in the roads, installing sanitary sewer pipes and manholes, backfilling, compacting, and paving. During portions of the work there will be road closures for construction on Business Lane, the south half of Merchants Way, and Kidd's Hill Road (about 500 feet each side of its intersection with Merchants Way).

***CONTINUES* Sidewalk, Traffic Signal, Water Distribution, and Associated Improvements on Independence Drive in Hyannis and Barnstable Village, and on Portions of Mary Dunn Road, Kidd's Hill Road, and Attucks Lane in Barnstable**

Village Construction is scheduled to end in May 2021. Normal work hours are 7:00 AM to 3:30 PM, Monday through Friday. Work will include a new sidewalk and additional drainage systems the full length of Independence Drive, on Mary Dunn Road a short distance south of Independence Drive, on Kidd's Hill Road from Independence Drive to Merchants Way, and on Attucks Lane from Independence Drive to Wilkens Lane. The work will also include a new traffic signal system at the intersection of Attucks Lane & Wilkens Lane; a watermain extension on portions of Attucks Lane and Independence Drive; and additional street lights on portions of Independence Drive and Kidd's Hill Road. During active construction there will be lane closures with signs, cones/construction barrels, and police details or flaggers if necessary to direct traffic past the work zones.

***CONTINUES* Survey and Map five of the Phase 1 Sewer Expansion Projects** As the first step in a multi-year planning and design effort, the Barnstable Department of Public Works has contracted with multiple land surveying firms to survey and map five of the Phase 1 Sewer Expansion Projects identified in the Town's Comprehensive Wastewater Management Plan. The projects include the mapping of dozens of roadways, including many residential areas for the following Phase 1 projects:

- Phinney's Lane Sewer Expansion Project which includes Phinney's Lane from Route 132 to Route 28 including residential roads to the east and west of Phinney's Lane
- Long Pond Area Sewer Expansion Project which includes all roadways between Old Stage Road /Park Avenue (western limits) and Strawberry Hill Road (eastern limits) and including the residential areas on the north and south side of Pine Street
- Route 28 East Sewer Expansion Project which includes Route 28 from the Water Pollution Control Facility property to Phinney's Lane
- Route 28 Centerville Sewer Expansion Project which includes Route 28 from Phinney's Lane to East Osterville Road and includes East Osterville Road and Old East Osterville Road
- Route 28 Marstons Mills Sewer Expansion Project which includes Route 28 from East Osterville Road to Old Post Road

Citizens can expect survey field crews to be working within the project areas at various times throughout the summer and fall. In the coming weeks, property owners within the project areas will be receiving notifications from the survey consultants which provide further detail on the survey project. Citizens are encouraged to review the Town's Comprehensive Wastewater Management Plan which is available on the Town's website at: https://townofbarnstable.us/WaterResources/CWMP_Final.asp any questions regarding this survey effort, or the Town's Comprehensive Wastewater Management Plan, should be directed to the Barnstable Department of Public Works at 508-790-6400.

4:00pm**

MEMA Offers Resource of Testing Site Map

The Massachusetts Emergency Management Agency is a great resource for COVID-19 testing locations with its [COVID-19 Test Site Locator](#). The map provides an easy way to locate a COVID-19 test site near you. All of those experiencing symptoms or those who have been in close contact recently with a COVID positive individual should seek testing. There are different filters you can choose, such as free testing for residents, test children, referral not required, drive thru services, etc.

Cape Cod Healthcare Transitions Mid-Cape COVID-19 Testing Location to Cape Cod Hospital

Effective July 24, 2020, Cape Cod Healthcare transitioned its mid-Cape drive-through testing site from the campus of Cape Cod Community College to the campus of Cape Cod Hospital. A second testing facility on the campus of Falmouth Hospital, which opened on June 24, 2020, continues to supplement testing access by serving the upper Cape community. As a reminder, testing is available to any person on the Cape and Islands with a doctor's order, including those with a physician not affiliated with Cape Cod Healthcare and/or not located on Cape Cod. Individuals without a primary care physician can call the dedicated call center (508-862-5595) to be screened for testing by a clinical provider by phone. For more information about COVID-19 testing at Cape Cod Healthcare, see capecodhealth.org/coronavirus.

Learn about Eastern Equine Encephalitis (EEE)

Mosquito bites can cause serious illness. Take steps to protect yourself & your family. When outdoors, always use EPA-approved repellent & wear mosquito-resistant clothing, like pants or long sleeves.

Repair broken doors & window screens. More info: <https://www.mass.gov/mosquitoes-and-ticks>

Learn about EEE

Eastern equine encephalitis (EEE) is a rare but serious disease caused by a virus that can affect people of all ages. EEE is generally spread to humans through the bite of a mosquito infected with the virus. EEE can cause severe illness and possibly lead to death in any age group; however, people under age 15 are at particular risk. EEE does not occur every year, but based on mosquito sampling, a high risk of occurrence of human cases currently exists. Learn more about EEE and how to protect yourself and your family in this [fact sheet about EEE](#).

2020 Season

[Routine mosquito testing](#) began on June 15, 2020 and will continue through October. The Department of Public Health in partnership with Local Mosquito Control Projects will conduct comprehensive surveillance activities state-wide to assess the risk of WNV and EEE in 2020. [Risk maps and EEE and WNV detections](#) will be routinely updated. You can watch a brief video from the State [here](#).

Hurricane Preparedness

HURRICANE PREPAREDNESS
Be Ready Before the Storm

Hurricanes and tropical storms can impact the entire Commonwealth, not just coastal regions

- Use MEMA's interactive map to find out if you live or work in a hurricane evacuation zone
- Know Your Zone
- Make a Plan: Have a predetermined emergency plan tailored to your family's needs
- Build an emergency kit that can sustain you and your family for 3-5 days
- Build a Kit
- Stay Informed: As a storm approaches, closely monitor media reports and promptly follow instructions from public safety officials

Visit mass.gov/mema for more hurricane preparedness resources

Mass.gov

Extra steps to prepare for hurricane season during COVID-19

- Include face coverings, disinfectants & hand sanitizer in emergency kits
- Sheltering at a hotel or relative's house may be safer than a large shelter, especially if you are in a high risk population

Visit mass.gov/mema for more hurricane preparedness resources about hurricane evacuation zones, emergency plans, emergency kits, and staying informed

Working with Barnstable Town Hall

Effective Friday, March 20, 2020, as a precautionary measure to prevent and mitigate the spread of COVID-19 and in the interest of the health and well-being of our employees and the residents of the Town of Barnstable, most town buildings are closed to the public. We are making adjustments to our business operations to ensure resources are focused where the need is greatest. Please understand the fluid nature of this situation and that we are reassessing and adapting our response as needed to this developing situation. Public access to 200 Main Street and the Town Hall Offices is now by appointment

only. Information on how you can work remotely with Town Offices is available on the Town of Barnstable's website (www.townofbarnstable.us) and www.BarnstableHealth.com. Thank you for your cooperation and understanding throughout this serious situation.

A listing of Town owned buildings that have closed is listed [here](#).

TREASURER'S OFFICE

The Treasurer's Office will be accepting payments either through mail or payments may be placed in the drop box located outside Town Hall next to the walkway leading to Town Hall. **No cash is to be mailed or left in the drop box.**

For **Tax Title Account information** please call Treasurer's office at 508-862-4656. Payments for lien parcels that are in Tax Title may be mailed to:

Town of Barnstable, Treasurer's Office, 230 South Street, Hyannis, MA 02601

TAX COLLECTOR'S OFFICE

Tax Collector's Office is currently closed to the public. Please call the office at 508-862-4054 or email taxcollector@town.barnstable.ma.us for any questions regarding real estate, personal property, motor vehicle and boat excise taxes and sewer utility bill payments.

Payment options for Treasurer / Collector's Office:

- Mail checks using the envelope provided or to the Town of Barnstable, PO Box 40, Hyannis, MA 02601.
- Online through the Town of Barnstable website under Quicklinks/Pay bills online.
- Leave check payments in the outside drop box located next to the walkway leading to Town Hall. Or by appointment only.
- Please do not leave any cash in the drop box. **Checks Only.**

The Real Estate and Personal Property tax bills for Fiscal Year 2021 were mailed on Wednesday July 1st and the first quarter will be due on August 3rd.

ASSESSOR'S OFFICE

Abatement Applications Abatement forms are available on the town's website at <https://www.townofbarnstable.us/Departments/Assessing/> Completed forms can be mailed to Town of Barnstable Assessor, 367 Main. St. Hyannis, MA 02601.

Property Information Inquiries regarding property values can be requested by email to assessor@town.barnstable.ma.us or you can call 508.862.4022 or 508.862.4020.

Forms All other forms are available at <https://www.townofbarnstable.us/Departments/Assessing/> Permit applications will continue to be accepted and processed according to local and state requirements. Applications and associated materials should be submitted electronically to the extent legally possible.

TOWN CLERK'S OFFICE

A drop off location for paper applications has been established to the left of the front door at 367 Main Street. If your request does not need immediate attention, please use the drop off location for nomination papers, birth, death, and marriage certificates established in the front vestibule at 367 Main Street. Please submit your request in the lock box and call us on 508-862-4044.

Instructions for Making an Appointment with Staff If you would like to make an appointment with a staff member, please call 508-862-4044. Appointments will not be made with any person experiencing cough, fever, or shortness of breath; anyone tested positive for COVID-19; anyone who has been exposed to a tested positive COVID-19 case; or anyone directed to self-quarantine. Staff will ask you to confirm you do not meet any of these criteria upon making the appointment and upon arrival at the appointment.

200 MAIN STREET

Instructions for Dropping Off Permit Applications

- Include a contact name, and telephone number and/or e-mail address.
- DO NOT submit payment with the application. It will be collected at a later time.
- There will be a minimum 48 hour delay between the time an application is dropped off and when it is officially received.
- A staff member will contact you to confirm receipt of the application and with comments and/or instructions and to arrange payment of fees.

Instructions for Making an Appointment with Staff

If you would like to make an appointment with a staff member, please call or e-mail the contact listed. Appointments will not be made with any person experiencing cough, fever, or shortness of breath; anyone tested positive for COVID-19; anyone who has been exposed to a tested positive COVID-19 case; or anyone directed to self-quarantine. Staff will ask you to confirm you do not meet any of these criteria upon making the appointment and upon arrival at the appointment.
