

# NOTES FROM THE FIELD

## SANDY NECK NEWSLETTER

December 2023

### From the Staff,

With winter upon us, it is a beautiful time of year to visit Sandy Neck for a quiet hike on the beach or on the trails to enjoy all that nature has to offer.

Staff would like to remind patrons to be respectful of other visitors and wildlife and keep dogs leashed as required.

Wildlife such as turtles, marine mammals, and sea birds are more susceptible to stranding during the cold winter months - if you find wildlife in need of assistance on the beach or trails, please call the Gatehouse at (508)362-8300.
